and any rules so made shall be binding on the councils:

Provided that before making any such rules the Joint Committee shall notify the councils of their proposals relating thereto and shall give a reasonable opportunity to every council to make representation to the Joint Committee regarding the proposals.

(5) The Joint Committee shall also have power with the approval of the Minister to contribute by way of an annual subscription towards the support and maintenance of any institution which appears to the Joint Committee to be calculated to render useful aid in the administration of the relief of casuals.

(6) Nothing in this order shall affect the powers and duties conferred or imposed on any of the councils in their capacity as a poor law authority, or shall deprive or relieve any of the councils of their powers, duties and obligations with reference to the relief of casuals, except so far as any such powers, duties or obligations are being exercised, undertaken or discharged by the Joint Committee in the execution of this order.

Expenses of Members.

10.—(1) The Joint Committee may defray expenditure, including travelling expenses, necessarily incurred by members of the Joint Committee or any sub-committee thereof for the purpose of attending meetings of the Joint Committee or any sub-committee thereof, and by officers of any of the councils attending meetings at the request of the Joint Committee, and by other persons so attending for the purpose of assisting the Joint Committee or any sub-committee in their deliberations.

(2) The Joint Committee may confer with other Joint Committees for all or any of the purposes of this order, and may pay their reasonable share of the expenses of such conferences and of the attendance of their representatives thereat.

Application of Statutes and Orders.

11.—(1) The statutory provisions and the orders and regulations of the Minister and his predecessors for the time being applicable to a council by reason of their being a poor law authority shall, so far as they are consistent with the provisions of this order, apply to the Joint Committee as if the Joint Committee were a council of a county or county borough exercising poor law functions, and as if the combined areas were the area of such a council.

(2) The accounts of the income and expenditure of the Joint Committee and of their sub-committees and officers shall be made up and audited in like manner and subject to the same provisions as the accounts of a county council, and the enactments relating to the audit of those accounts and to all matters incidental thereto or consequential thereon (including the penal provisions of those enactments) shall apply and have effect as if they were herein re-enacted and in terms made applicable:

Provided that prior to audit a copy of the abstract of accounts shall be sent by the Joint Committee to the councils.

(3) The said accounts and all minute books of the Joint Committee and their sub-committees shall at all reasonable times be open to inspection and transcription without payment by any member of any of the councils or by

any officer of any of the councils authorised by that council for that purpose.

(4) A copy of the auditor's report and of the abstract of the accounts of the Joint Committee, when duly audited, shall be sent by the Joint Committee to the councils within one month after the completion of the audit of the accounts of the Joint Committee.

All contracts and agreements relating to the purposes of this order involving an expenditure exceeding £100 shall be made under the authority of a resolution of the Joint Committee, and shall be signed and sealed on their behalf by the chairman or other member of the Joint Committee, and countersigned by the clerk of the Joint Committee, and no other expenditure shall be incurred unless authorized by resolution of the Joint Committee.

Expenses of Joint Committee.

13. There shall be a fund called the joint fund to which all moneys received by the Joint Committee shall be carried and out of which all expenses lawfully incurred by the Joint Committee in the execution of this order shall be defrayed.

Apportionment of Expenses.

14. For the purpose of defraying the expenses incurred by the Joint Committee under this order each of the councils shall make contributions to the joint fund in the manner following:—

(a) as to one-fourth of such expenses in the proportion which the aggregate rateable value of all the hereditaments in their area as shown in the valuation lists on the 1st day of April immediately preceding the date of the order made on the council by the Joint Committee for contributions in respect of those expenses bears to the aggregate rateable value of all the hereditaments in the combined areas as then shown in the valuation lists; and

(b) as to three-fourths of such expenses, in the proportion which the number of nights' occupation by casuals of wards in their area during the year ended the 31st day of March preceding bears to the number of nights' occupation in that period by casuals of wards in the combined areas.

Contribution Orders.

15.—(1) The Joint Committee shall, as soon as may be after the 30th day of September 1935 and thereafter as soon as may be after the 31st day of March in each year, make an order on each council for the payment to the Joint Committee by the council either in one sum or by instalments on the date or dates mentioned in the order of such sums as may be required for the contributions of the council to the expenses of the Joint Committee, and the council shall make payments to the Joint Committee in accordance with the requirements of the order.

(2) Any sum mentioned in any order for contributions shall be a debt due from the council to whom the order is addressed, and may be recovered accordingly: Provided that the Joint

Committee shall not institute proceedings for the recovery of the debt until after the expiration of a period of three months from the date of the order.

(3) The Joint Committee shall, as soon as practicable in the year 1935, furnish the councils with an estimate of expenditure to be incurred in the half-year ending the 31st day of March, 1936, and shall similarly furnish not later than during the first week in February of each year such an estimate in respect of the financial year commencing on the 1st day of April next following the said first week in February.

Settlement of Disputes.

16. In the event of any dispute arising in connection with the provisions of this order between any of the councils and the Joint Committee, or between any two or more councils, the dispute may, on the application of any one or more of the parties affected, be referred to the Minister, who may, if he thinks fit, decide the dispute. If the Minister decides the dispute, his decision shall be binding and conclusive on all the parties concerned.

Financial Adjustments on Expiration of Order.

17. Upon the expiration of this order the Joint Committee and the councils may make agreements for the purpose of adjusting any property, income, debts, liabilities and expenses of, and any financial relation between, the parties to the agreement, and section 151 of the Local Government Act, 1933, shall apply as if this order were an order made under Part VI of that Act.

SCHEDULE.

RULES AS TO MEETINGS AND PROCEEDINGS.
