III. At the end of the said Clause the following sub-clause were added:—

### "Export Tonnage Pool."

(m) (i) Every Coalowner who shall have in his possession at the end of any month a shortage of Export Supply (herein called "Export Supply Shortage") shall be deemed to have registered one quarter thereof with the Secretary, and the Secretary shall open an Export Tonnage Pool Account in the name of each such Coalowner; provided that the Quota Committee shall have power in any month to resolve that a higher proportion than one quarter (but not exceeding one half) of each Coalowner's Export Supply Shortage at the end of that month shall be deemed to be registered with the Secretary.

(ii) The tonnage so registered shall form an Export Tonnage Pool (herein called "the Pool") from which tonnage (herein called "Pool Tonnage") may be allotted to any Coalowner as hereinafter in this sub-clause provided.

(iii) Any Coalowner desiring an allotment of Pool Tonnage shall make application in writing to the Secretary, stating the amount of Pool Tonnage which he desires to have allotted to him and the detailed grounds on which the application is made.

(iv) The Export Committee shall from time to time consider all applications for allotment, and shall allot to each applicant such Pool Tonnage as they shall deem necessary having regard to the grounds specified by each Coalowner in his application and to all other material circumstances not excluding prices.

(v) The price per ton at which Pool Tonnage is allotted during any month shall be sixpence.

(vi) Payments for Pool Tonnage shall be made by each Coalowner receiving an allotment not later than the last day of the month in which such tonnage is allotted. The amount of such payments shall be distributed by the Secretary each month among the Coalowners who passed such tonnage into the Pool according to the quantity of Pool Tonnage allotted on behalf of each such Coalowner.

(vii) All allotments of Pool Tonnage shall be deemed to be made on account of all Coalowners who shall have Pool Tonnage standing to their credit and all such allotments shall be allocated rateably and in proportion to the amount of the Pool Tonnage of each Coalowner at the time when the allotments were made.

(viii) Tonnage in the Pool at 30th April in any year shall not be deemed to be cancelled unless the Quota Committee shall otherwise decide.

(ix) The Quota Committee shall have power to resolve at any time that no further Export Supply Shortage shall be deemed to be registered in the Pool during such period as they shall decide.

(x) Every Coalowner receiving an allotment of Pool Tonnage shall be entitled to raise such excess output (but no more) as shall enable him to supply the amount of such allotment and the Executive Board shall reduce or cancel (as the case may be) any penalty incurred by a Coalowner in respect of any excess output to the extent that the excess shall have been necessary for the purposes of this sub-clause. In the event of any penalty being cancelled or reduced by the Executive Board under the provisions of this sub-clause the tonnage of output in respect of which the penalty was so reduced or cancelled shall not be carried forward and debited under the provisions of sub-clause (4) of Clause 18 of the Scheme.

(xi) All Pool Tonnage allotted shall be deemed to be part of the monthly permitted export supply of the Coalowners to whom an allotment has been made and no portion of such allotted Pool Tonnage shall be sold or supplied as part of any Coalowner's monthly permitted Inland supply.

(xii) The Executive Board shall appoint an independent arbitrator to whom any dispute arising out of the provisions of

this sub-clause shall be referred for decision. The arbitrator immediately upon appointment shall give directions as to the procedure to be followed and as to the method of conducting arbitrations and the provisions of paragraphs (a), (b), (c) and (d) of Clause 28 of the Scheme shall not apply to such arbitrations."

B. Clause 17 of the Scheme shall have effect as if at the end of sub-clause (d) thereof there were added the following paragraph:—

## MILK ACT, 1934.

Notice is hereby given that the Minister of Agriculture and Fisheries and the Secretary of State for Scotland, acting jointly, have certified the cheese-milk price for the month of October, 1935, as required by Sub-section 2 of Section 4 of the Milk Act, 1934, in the following terms:—

### *Certification of Cheese-Milk Price.*

Whereas by Sub-section (1) of Section 4 of the Milk Act, 1934 (hereinafter referred to as "the Act") it is provided that for the purposes of the Act the cheese-milk price for any month shall be the excess over one penny three farthings of the average of the prices per pound at which cheese such as is commonly known at the commencement of the Act as "New Zealand Finest White" and "Canadian Finest White" was sold wholesale in Great Britain during the immediately preceding month;

And whereas by Sub-section (2) of the said Section the Minister of Agriculture and Fisheries and the Secretary of State for Scotland, acting in conjunction, are required to

certify as soon as may be after the beginning of September, 1934, and of each subsequent month falling before April, 1938, the cheese-milk price for that month;

Now therefore the Minister of Agriculture and Fisheries and the Secretary of State for Scotland, acting in conjunction, hereby certify that the cheese-milk price for the month of October, 1935, is 4.36 pence per pound.

The method by which the cheese-milk price for the month as certified above has been computed is as follows:—

(i) The range of price quotations in respect of sales by wholesale of "New Zealand Finest White" cheese and of "Canadian Finest White" cheese, as published by the London Provision Exchange, Ltd., for each of the periods ended at 11.30 a.m. on each of the Fridays in the preceding month, has been examined.

(ii) The average of the mean prices for the two kinds of cheese has been ascertained for each of the said periods, exceptional quotations being disregarded. The average of the periodic averages so ascertained has then been calculated to two places of decimals and expressed in pence per pound.

(iii) From the figure thus obtained one penny three farthings has been subtracted and the balance gives the figure certified above.
