Treasury Chambers,
8th November, 1935.

Whitehall, October 14, 1935.

His Majesty The KING has been graciously pleased to award the Edward Medal in Silver to the late Ernest Reid Powell in recognition of his gallantry in the following circumstances:—

On the 2nd August, 1935, a fire broke out in the ground floor premises of the building at 2, Amelia Street, Belfast, in which Mr. Powell was employed as managing director of a firm of handkerchief manufacturers. The ground floor was occupied by a firm of wholesale confectioners and instead of first giving an immediate alarm the staff on this floor endeavoured vainly to extinguish the flames, which had obtained a good hold before the workers on the upper floors became aware of the danger. When the danger became known, several women and girls escaped from the first and third floors by means of the main staircase and about forty women and female young persons on the second floor also proceeded to escape in the same way. A number succeeded,

being assisted by Mr. Powell who was in his office at the commencement of the outbreak and who was subsequently seen on two occasions assisting women down the stairs and out of the building.

In the meantime the heat and smoke had much increased and the remaining women were unable or unwilling to descend by the front stairway. Efforts were made to induce them to try the back stairway, but without success. A few were assisted through a window to the flat roof of an adjoining building, and the others, more or less panic-stricken, made for the front windows which the Fire Brigade officers were then preparing to enter.

Mr. Powell was in the street at this juncture, but observing the plight of the women at the windows, he again groped his way up the smoke-laden stairs to the second floor, endeavoured to calm them, and shepherded them one by one through the windows to the firemen who, by means of a portable escape, conveyed them to the street.

During these rescue operations Mr. Powell sustained severe burns to eyes, face, scalp, neck, hands, arms and legs, and he died two days later from shock following these injuries.

From special enquiry and the evidence of eye witnesses it is clear that Mr. Powell risked his life consciously and deliberately to save the lives of a number of employees of the firm and that the injuries which he sustained were cumulatively acquired in long-sustained and repeated exposure to death in one of its most terrifying forms.

Whitehall, November 7, 1935.

The KING has been pleased, by Warrant under His Majesty's Royal Sign Manual, bearing date the 4th instant, to appoint Lieutenant-Colonel Frank Brook, D.S.O., M.C., to be one of the Inspectors under the County and Borough Police Act, 1856.

The Home Secretary gives notice that in pursuance of Section 2 (1) of the Employment of Women, Young Persons and Children Act, 1920, he has made an Order authorising the employment on two day-shifts of women over 18 years of age in the spinning, twisting, and balling departments at the works of Messrs. British Ropes Limited, Anchor and Hope Lane, Charlton, subject to conditions as to weekly alternation of shifts, accommodation for clothing and facilities for washing and for taking meals.

MILK ACT, 1934.

Notice is hereby given that the Minister of Agriculture and Fisheries and the Secretary of State for Scotland, acting jointly, have certified the cheese-milk price for the month of November, 1935, as required by Sub-section 2 of Section 4 of the Milk Act, 1934, in the following terms:—

Certification of Cheese-Milk Price.

Whereas by Sub-section (1) of Section 4 of the Milk Act, 1934 (hereinafter referred to as

"the Act"), it is provided that for the purposes of the Act the cheese-milk price for any month shall be the excess over one penny three farthings of the average of the prices per pound at which cheese such as is commonly known at the commencement of the Act as "New Zealand Finest White" and "Canadian Finest White" was sold wholesale in Great Britain during the immediately preceding month;

And whereas by Sub-section (2) of the said Section the Minister of Agriculture and Fisheries and the Secretary of State for Scotland, acting in conjunction, are required to certify as soon as may be after the beginning of September, 1934, and of each subsequent month falling before April, 1938, the cheese-milk price for that month;

Now therefore the Minister of Agriculture and Fisheries and the Secretary of State for Scotland, acting in conjunction, hereby certify that the cheese-milk price for the month of November, 1935, is 4.85 pence per pound.

The method by which the cheese-milk price for the month as certified above has been computed is as follows:—

(i) The range of price quotations in respect of sales by wholesale of "New Zealand Finest White" cheese and of "Canadian Finest White" cheese, as published by the London Provision Exchange Ltd., for each of the periods ended at 11.30 a.m. on each of the Fridays in the preceding month, has been examined.

(ii) The average of the mean prices for the two kinds of cheese has been ascertained for each of the said periods, exceptional quotations being disregarded. The average of the periodic averages so ascertained has then been calculated to two places of decimals and expressed in pence per pound.

(iii) From the figure thus obtained one penny three farthings has been subtracted and the balance gives the figure certified above.
