TUESDAY, 7 JANUARY, 1936

At the Court at *Buckingham Palace*, the 20th day of *December*, 1935.

PRESENT,

The KING's Most Excellent Majesty in Council.

**W**HEREAS there was this day read at the Board a Memorial from the Right Honourable the Lords Commissioners of the Admiralty, dated the 16th day of December, 1935 (N. 5133/35), in the words following, viz. :—

"Whereas by Section 3 of the Naval and Marine Pay and Pensions Act, 1865, it is enacted *inter alia* that all pay, pensions or other allowances in the nature thereof payable in respect of services in Your Majesty's Naval or Marine Force to a person being or having been an Officer, Seaman or Marine therein shall be paid in such manner and subject to such restrictions, conditions and provisions as are from time to time directed by Order in Council:

"And whereas under the provisions of Your Majesty's Order in Council of the 17th day of May, 1920, the pay of men sent sick to hospital from ships at home with disabilities due to their own misconduct, carelessness or neglect is subject to stoppages at rates laid down in the Regulations for the government of Your Majesty's Naval Service:

"And whereas we are of opinion that the pay of Naval ratings other than non-European natives, and of Royal Marines (other ranks) sent to hospitals abroad should similarly be subject to stoppages at rates and under

conditions similar to those applicable to men sent to hospitals at home:

"And whereas by Your Majesty's Order in Council of the 3rd day of July, 1909, it is provided that men and boys sent home sick from abroad shall be allowed thirty days' pay free of stoppages from the date of their entry into hospital in England:

"And whereas we consider that such provision is no longer necessary:

"We beg leave humbly to recommend that Your Majesty may be graciously pleased by Your Order in Council to sanction hospital stoppages after the first 30 days in hospital for Naval ratings (other than non-European natives) and Royal Marines (other ranks) who are sent to hospital abroad on or after 1st February, 1936, with disabilities due to their own misconduct, carelessness or neglect, at the rates and under the conditions applicable to men in home hospitals, the Order in Council of the 3rd day of July, 1909, whereby 30 days' free treatment is granted to sick ratings from abroad after entry into a home hospital being abrogated.

"The Lords Commissioners of Your Majesty's Treasury have signified their concurrence in these proposals."

His Majesty, having taken the said Memorial into consideration, was pleased, by and with the advice of His Privy Council, to approve of what is therein proposed.

And the Right Honourable the Lords Commissioners of the Admiralty are to give the necessary directions herein accordingly.

M. P. A. Hankey.

#### REGULATIONS RESPECTING COMPETITIVE EXAMINATIONS FOR APPOINTMENT TO THE CONSULAR SERVICE, AND TO POSTS IN THE INTELLIGENCE OFFICER GRADE IN THE DEPARTMENT OF OVERSEAS TRADE.

1. Candidates will be required to appear before a Board of Selection which will meet at the Office of the Civil Service Commission on the second Tuesday in May, and will decide which candidates possess suitable qualifications for entry into the Consular Service, and to posts in the Intelligence Officer Grade in the Department of Overseas Trade, in order to enable them to compete at the examination prescribed below. Candidates may appear before this Board at any time after they have attained the age of nineteen; but a candidate who is not recommended for acceptance by the Board of Selection may not appear before that Board for interview a second time unless he is specifically notified after his first appearance that the Board will be prepared to see him again.

Provided that exception may be made in the case of natural-born British subjects who have satisfactorily completed a period of not less than five years' service on full pay in His Majesty's Regular Forces.

Provided also that if the Civil Service Commissioners are satisfied, in the case of any candidate who is a British subject but does not fulfil all the requirements of the rule as to nationality and descent, that the candidate is so closely connected by ancestry and upbringing with His Majesty's dominions that an exception may properly be made to that rule, they may accept such candidate as eligible provided that this discretion shall not be exercisable unless (a) the father or the paternal grandfather of the candidate was a natural-born British subject, and (b) neither the father nor the paternal grandfather had acquired any other nationality by naturalization or by any other voluntary and formal act."

*Civil Service Commission,*

*January 7, 1936.*

The Civil Service Commissioners hereby give notice that the following Regulations are published with the approval of the Lords Commissioners of His Majesty's Treasury, viz.:—

**REGULATIONS RESPECTING COMPETITIVE EXAMINATIONS FOR APPOINTMENTS IN THE FOREIGN OFFICE AND DIPLOMATIC SERVICE.**

1. Candidates will be required to appear before a Board of Selection which will meet at the Office of the Civil Service Commission on the first Tuesday in May, and will decide which candidates possess suitable qualifications

for entry into the Foreign Office or Diplomatic Service in order to enable them to compete at the examination prescribed below. Candidates may appear before this Board of Selection at any time after they have attained the age of nineteen; but a candidate who is not recommended for acceptance by the Board of Selection may not appear before that Board for interview a second time unless he is specifically notified after his first appearance that the Board will be prepared to see him again.

2.—(i) Candidates must have attained the age of 21 and must not have attained the age of 25 on the first day of August in the year in which the examination is held.

(ii) Candidates must be unmarried.

3. Candidates must be natural-born British subjects and born within the United Kingdom or in one of the self-governing Dominions of parents also born within those territories, except when the circumstances are such as to justify a departure from the general rule, in which case they can be allowed to compete by special permission of the Secretary of State for Foreign Affairs, provided they fulfil the conditions of the rule in respect of nationality prescribed for candidates for admission to His Majesty's Civil Service as a whole, viz.:—

"Every candidate must be a natural-born British subject, the child of a person who is or was at the time of death a British subject. Provided that exception may be made in the case of natural-born British subjects who have satisfactorily completed a period of not less than five years' service on full pay in His Majesty's Regular Forces.

Provided also that if the Civil Service Commissioners are satisfied, in the case of any candidate who is a British subject but does not fulfil all the requirements of the rule as to nationality and descent, that the candidate is so closely connected by ancestry and upbringing with His Majesty's dominions that an exception may properly be made to that rule, they may accept such candidate as eligible provided that this discretion shall not be exercisable unless (a) the father or the paternal grandfather of the candidate was a natural-born British subject, and (b) neither the father nor the paternal grandfather had acquired any other nationality by naturalization or by any other voluntary and formal act."

4. No person actually serving in the Army, Navy or Air Force will be eligible for admission to the examination unless he produces to the Civil Service Commissioners, when called upon to do so, the permission of his Commanding Officer to attend the examination, dated before the commencement of the competition, and given in accordance with such orders as may from time to time be issued.

Persons holding situations in the Civil Service must obtain the permission of the authorities of their Department to attend the examination before the commencement of the competition.
