"Whereas by an Order of His late Majesty King George the Fifth in Council bearing date the 8th day of August, 1933, and published

"And whereas a capital sum of £2,000 has been contributed towards the cost of erecting a permanent Church for the said District of Saint Michael, Gidea Park:

"And whereas the said capital sum of £2,000 has been so contributed as aforesaid upon the understanding that (such arrangement appearing to us expedient) the whole right of Patronage of the said District of Saint Michael, Gidea Park, and when such District shall have become a New Parish, then of the said New Parish, and the nomination of the Minister or Incumbent thereof should be assigned in the manner which is hereinafter recommended and proposed:

Now, therefore, we, the said Ecclesiastical Commissioners for England, humbly recommend and propose that the whole right of Patronage of the said District of Saint Michael, Gidea Park, and when such District shall have become a New Parish as aforesaid, then of the said New Parish, and the nomination of the Minister or Incumbent thereof shall without any conveyance or assurance in the law other than this Scheme and any duly gazetted Order of Your Majesty in Council ratifying the same and upon and from the day of the date of the publication of such Order in the London Gazette be assigned to and be absolutely vested in and shall and may from time to time be exercised by the Right Reverend Henry, now Bishop of Chelmsford, and by his successors in the same Bishopric for ever.

"And we further recommend and propose that nothing herein contained shall prevent us from recommending and proposing any

other measures relating to the matters aforesaid, or any of them, in conformity with the provisions of the hereinbefore mentioned Act, or of any other Act of Parliament."

And whereas the said Scheme has been approved by His Majesty in Council:

Now, therefore, His Majesty, by and with the advice of His said Council, is pleased hereby to ratify the said Scheme, and to order and direct that the same and every part thereof shall be effectual in law immediately from and after the time when this Order shall have been duly published in the London Gazette pursuant to the said Act.

Civil Service Commission,
March 27th, 1936.

The Civil Service Commissioners hereby give notice that the following Regulations are published with the approval of the Lords Commissioners of His Majesty's Treasury, viz. :—

REGULATIONS FOR THE APPOINTMENT BY COMPETITIVE SELECTION OF ASSISTANT NATURALISTS IN THE FISHERIES DEPARTMENT OF THE MINISTRY OF AGRICULTURE AND FISHERIES.

Appointments under these Regulations are open to candidates of either sex. The Regulations are liable to alteration from time to time.

1. Application for appointment shall be made in the first instance to the Secretary, Ministry of Agriculture and Fisheries, at such time and in such manner as may be fixed by the Ministry. When a vacancy occurs, the Ministry will cause notice to be given by an advertisement in the Press, which will include a statement of the last day fixed for the receipt of applications.

2. A candidate for the post of Assistant Naturalist must have attained the age of 21 and must not have attained the age of 30 on the last day fixed for the receipt of applications.

3. Every candidate must be a natural-born British subject, the child of a person who is or was at the time of death a British subject; provided that exception may be made in the case of natural-born British subjects who have satisfactorily completed a period of not less than five years' service on full pay in His Majesty's Regular Forces.

Provided also that if the Civil Service Commissioners are satisfied in the case of any candidate who is a British subject but does not fulfil all the requirements of the rule as to nationality and descent, that the candidate is so closely connected by ancestry and upbringing with His Majesty's dominions that an exception may properly be made to that rule, they may accept such candidate as eligible provided that this discretion shall not be exercisable unless (a) the father or the paternal grandfather of the candidate was a natural-born British subject, and (b) neither the father nor the paternal grandfather had acquired any other nationality by naturalization or by any other voluntary and formal act.

4. Persons holding situations in the Civil Service must obtain the permission of the authorities of their Department to apply for appointment.

No person actually serving in the Army, Navy, or Air Force will be eligible for consideration unless he produces, when called upon to do so, the permission of his Commanding Officer to apply for appointment, dated before his appearance before the Selection Board, and given in accordance with such orders as may from time to time be issued.

Persons upon whose training for the occupation of teacher public money has been spent cannot be appointed until the consent of the appropriate education authority has been notified to the Civil Service Commissioners.

5. Candidates must have studied Science at an institution of University rank and qualified by examination in Science for a degree or equivalent diploma. Where special qualifications are required particulars will be given in the advertisement.

6. The completed application forms will be scrutinised by the Ministry and selected candidates will be interviewed by a Board consisting of representatives of the Ministry and of the Civil Service Commissioners. The Board will recommend to the Ministry for appointment to the vacancies existing those candidates who appear to them to possess the highest qualifications, provided they find so many suitable.

Any attempt on the part of candidates to enlist support for their applications through Members of Parliament or other influential persons will disqualify them for appointment. The Selection Board will disregard spontaneous recommendations from persons who are not personally acquainted with the candidate's previous work.

7. The necessary number of candidates will be appointed on probation, subject to their satisfying the Civil Service Commissioners that they are eligible for appointment in respect of age, nationality, health and character, and to the payment of a fee of £4.

Women candidates must be unmarried or widows and will normally be required to resign

their appointments on marriage; but exception to the rule requiring resignation on marriage may, in individual circumstances, be made where the employment of a married woman is considered advisable in the light of her special qualifications, or special experience in relation to the duties required of her, or of the special requirements of the Department.

8. The retention of Officers will be conditional on the Ministry being satisfied as to their conduct and capacity.

9. Service as Assistant Naturalist will be probationary for a period of one year, on the completion of which an Assistant Naturalist will be eligible for consideration for appointment to the established staff if and when a vacancy occurs thereon. Appointment to the established staff is conditional on the issue by the Civil Service Commissioners of a Certificate of Qualification. A fee of £4, being the balance of the prescribed fee of £8, is payable before the Certificate of Qualification can be issued.

Civil Service Commission,

No person will be admitted to examination in London from whom the Secretary, Civil Service Commission, has not received, on or before the 8th May, 1936, an application in the candidate's own handwriting; on a prescribed form, which may be obtained from the Secretary at once.
