WHEREAS by Section 5 of the Foreign Jurisdiction Act, 1890, it is provided that it shall be lawful for His Majesty in Council if

He thinks fit by Order to direct that all or any of the enactments described in the First Schedule to that Act, or any enactments for the time being in force amending or substituted for the same, shall extend, with or without any exceptions, adaptations, or modifications in the Order mentioned, to any foreign country in which for the time being His Majesty has jurisdiction, and that thereupon those enactments shall, to the extent of that jurisdiction, operate as if that country were a British possession, and as if His Majesty in Council were the Legislature of that possession:

2. This Order may be cited as the African Territories (Imperial Statute Extension) Order, 1936.

*M. P. A. Hankey.*

At the Court at *Buckingham Palace*, the 28th day of *May*, 1936.

PRESENT,

The KING's Most Excellent Majesty in Council.

WHEREAS the Ecclesiastical Commissioners for England have, in pursuance of the Ecclesiastical Commission Act, 1868, duly prepared and laid before His Majesty in Council a Scheme bearing date the 30th day of April, 1936, in the words and figures following, that is to say:—

“We, the Ecclesiastical Commissioners for England, in pursuance of the Ecclesiastical Commission Act, 1868, Section 3, have prepared, and now humbly lay before Your Majesty in Council, the following Scheme relating to the Dean and Chapter of the Cathedral Church of Peterborough:

“Whereas the said Dean and Chapter have agreed with us that a Scheme should be laid before Your Majesty in Council for carrying into effect a transfer to us of part of the property belonging to them, for the considerations and upon the terms hereinafter set forth, which terms are, in our opinion, fair and reasonable, and the said Dean and Chapter have further agreed that such Scheme should also comprise the incidental provisions hereinafter set forth, such provisions being necessary for carrying into effect the said transfer:

“And whereas the manors, lands, tenements and hereditaments which are particularly described in the Schedule hereto annexed and marked ‘A’ are part of the property of the said Dean and Chapter and there are also vested in the said Dean and Chapter in fee simple the mines quarries and minerals, or some parts of the same, within and under certain other lands and hereditaments which formerly were part of the property of the said Dean and Chapter but have since been sold by them and conveyed to various purchasers by the several indentures of conveyance set out in the Schedule hereto annexed and marked ‘B’ but subject to such exception and reservation of the mines, quarries and minerals, or some part of the same, within and under the said lands and hereditaments so sold by the said Dean and Chapter as aforesaid and to such powers for working, winning, getting and carrying away the said excepted and reserved mines, quarries and minerals as are respectively set out and contained in such indentures

of conveyance as aforesaid and the said Dean and Chapter are also beneficially interested in or otherwise entitled to certain sums of Stock invested or held in trust for the said Dean and Chapter and particularly described in the Schedule hereto annexed and marked ‘C’:

“And whereas by an Order of Her late Majesty Queen Victoria in Council, bearing date the 8th day of August, 1853, and duly published in the London Gazette on the 9th day of the same month and made under the authority of an Act of the 3rd and 4th years of Her said late Majesty, Chapter 113, Section 66 and of an Act of the 4th and 5th years of Her said late Majesty, Chapter 39, Section 20, provision is made for securing to the Dean and Canons of the said Cathedral Church the respective annual incomes of £1,000 for such Dean and £500 for every such Canon it being by the said Order provided that the surplus decanal or canonical income calculated in the manner therein specified shall be paid over to us and that any deficiency in the amount of such income shall be made up by means of payments out of our funds:

“And whereas the Chapter of the said Cathedral Church consists of a Dean and four Canons and payments are now made by or to us from time to time to or from the said Dean and Canons under the provisions of the said Order:

“And whereas the annual payment hereinafter proposed to be made by us to the said Dean and Chapter, as hereinafter mentioned, will, after the appropriation of certain parts of such annual payment in the manner hereinafter recommended to the maintenance of the fabric of the said Cathedral Church, the boundary wall of the Precincts and the Almshouses, to the maintenance of the Grammar School and to the establishment and services of the said Cathedral Church, provide for the present and future Deans and Canons of the said Cathedral Church the incomes to which they are respectively entitled under the provisions of the said Order and of the Acts hereinbefore mentioned and we are of opinion that the arrangements hereinafter set forth will be the most convenient method of effecting for the future the purposes contemplated in the said Order:

“Now, therefore, with the consent of the Dean and Chapter of the said Cathedral Church of Peterborough (testified by the Corporate Seal of the Dean and Chapter affixed to this Scheme), and with the consent of the Right Reverend Claude, Bishop of Peterborough, as Visitor of the said Dean and Chapter, testified by his having signed and sealed this Scheme, we humbly recommend and propose that upon and from the publication in the London Gazette of any Order of Your Majesty in Council ratifying this Scheme and without any further conveyance or act in the law the manors, lands, tenements and hereditaments described in the said schedule hereto annexed and marked ‘A’ with their appurtenances and all the right, title, estate and interest therein, together with the benefit of the perpetual land tax, if any, charged thereon which has been redeemed, but subject always to the liabilities and charges to which the said manors, lands, tenements and hereditaments are now specifically liable and also all the

mines, quarries and minerals so excepted and reserved to the said Dean and Chapter as aforesaid by the several indentures of Conveyance set out in the said Schedule hereto annexed and marked 'B' with all such powers for working, winning, getting and carrying away the said mines, quarries and minerals as are respectively set out and contained in the said indentures of conveyance and also all the sum or sums of stock, particularly described in the Schedule, marked 'C' and all the interest of the said Dean and Chapter therein, shall be transferred to us in the manner contemplated by the same Act and that we shall be entitled to the rents, profits and proceeds thereof or interest or dividends due in respect thereof as the case may be as from the 25th day of March 1935 and that in consideration of and for such transfer to us as aforesaid there shall be paid by us to the said Dean and Chapter by equal quarterly payments on the 25th day of March, the 24th day of June, the 29th day of September, and 25th day of December in every year, the fixed annual sum of £7,210; and that the first quarterly payment of the said fixed annual sum shall be deemed to have become due and payable on the 24th day of June, 1935; and that the receipt or receipts of the Treasurer for the time being of the said Dean and Chapter shall be a good and valid discharge to us for all or any and every such sum or sums of money as shall therein be expressed to have been paid to him by us under the authority of such Order as aforesaid:

"And we further recommend and propose that the provisions of the hereinbefore recited Order of Her said late Majesty in Council, bearing date the 8th day of August, 1853, relating to the incomes of the Dean and Canons of

the said Cathedral Church shall as from the said 25th day of March 1935 cease and be of no effect:

"And we further recommend and propose that out of the said annual sum of £7,210 to be paid by us in accordance with the recommendations hereinbefore contained to the said Dean and Chapter the annual sum of £3,000, part thereof, shall be appropriated by the said Dean and Chapter to the payment of the income of the Dean and Canons, that is to say, not less than £1,000 for the income of the Dean and not less than £500 for the income of each of the Canons:

"And we further recommend and propose that there shall also be appropriated out of the said annual sum of £7,210 a sum of £800 for the repair and maintenance of the fabric of the Cathedral, the boundary wall of the Precincts and the Almshouses and also a further sum of £400 for the maintenance of the Grammar School and that the annual sum of £3,010 remaining out of the said sum of £7,210 together with the net income which may accrue to the said Dean and Chapter from any other source, shall be appropriated for the maintenance of the services of the said Cathedral Church and the payment of all the expenses and liabilities chargeable upon the revenues of the said Dean and Chapter and for such other purposes as they the said Dean and Chapter shall, in accordance with and subject to the regulations, orders and statutes which now or in the future shall govern their constitution, decide:

"And we further recommend and propose that nothing herein contained shall prevent us from recommending and proposing any further or other measures relating to the matters aforesaid, in conformity with the said Act or with any other Act of Parliament.
