

(c) All edible parts of an animal other than (i) the head or other severed parts of the carcase, (ii) the intestines prepared in the form of sausage casings, and (iii) meat which has before importation been made ready for human consumption in the form of a sausage or other prepared or manufactured article of food ;

each of the Official Certificates of which particulars are given in the Schedule hereto, as evidence that the meat to which it relates has been derived from an animal which was free from disease at the time of slaughter and has been dressed or prepared and packed with all necessary precautions for the prevention of danger to public health.

Where the Certificate is in the form of a label the recognition will apply only if the label is securely affixed to the package containing the meat and if the label has not in any other circumstances, or on any other occasion, been used as an Official Certificate ; and where the Certificate is in the form of a stamp the recognition will apply only if the stamp is clearly impressed on the meat.

The label and stamp hereby recognised as Official Certificates for meat imported from the Union of South Africa are in substitution for the label of which particulars were given in Part VIII of the First Schedule to the Notice published in the London Gazette of the 14th July, 1933.

The label hereby recognised as an Official Certificate for meat imported from the Commonwealth of Australia is in addition to the labels of which particulars were given in Part III of the First Schedule to the Notice published in the London Gazette of the 14th July, 1933 and in Part I of the First Schedule to the Notice published in the London Gazette of the 1st December, 1933.
