

And whereas by Article 2 of the said Order it is provided that in the case of refractory bricks, blocks and tiles, the indication of origin shall be impressed or embossed on each brick, block or tile:

And whereas the Board of Trade, being the appropriate Department in this case, having considered representations made to them in that behalf by persons appearing to the Board to have a substantial interest in the matter, are satisfied that the application of the aforesaid provisions of Article 2 of the said Order to refractory bricks, blocks and tiles cast from molten material is likely to cause hardship to the said persons:

Now therefore the Board of Trade in pursuance of the powers conferred upon them by the said Section 3 hereby direct as follows:—

1. It shall be a sufficient compliance with the provisions of Article 2 of the Merchandise Marks (Imported Goods) No. 4 Order, 1930, if in the case of any refractory bricks, blocks or tiles cast from molten material, the indication of origin is durably painted or stencilled in a contrasting colour on each brick, block or tile.

2. This Direction may be cited as the Merchandise Marks (Imported Goods) Exemption Direction (No. 1), 1937.

Dated this sixth day of February, 1937.
