THE PUBLIC SCHOOLS ACT, 1868.

THE GOVERNING BODY OF RUGBY SCHOOL having, on the 9th day of February, 1937, in virtue of the powers conferred upon them by the above-named Act, made a Statute in the terms appended hereto amending the existing Statutes of the said School, the said Statute is hereby published in the London Gazette in accordance with the provisions in that behalf contained in the said Act.

And Notice is hereby given, that any person, body of persons, or body corporate, authorized in that behalf by the said Act, may, within two months after the publication of this notification, petition His Majesty in Council to withhold His approval from the whole or any part of the said Statute.

STATUTE made by the Governing Body of Rugby School on the 9th day of February, 1937.

That the following alterations be made to the Statutes, namely:—

In place of Statutes XXVIII to XXXVII inclusive, which are repealed, insert the following:—

The Exhibitioners.

XXVIII.

Examinations shall be held once a year for the selection of Exhibitioners by competition. The Examinations shall be conducted by Examiners to be named or approved by the

Governing Body in such subjects and in such manner as shall be determined by Regulation.

XXIX.

All boys in the Sixth Form who shall have been members of the School for not less than three years, including the Term in which the Examinations are held, shall be eligible for Exhibitions.

XXX.

The number of Exhibitions to be awarded in any one year shall not exceed eight.

XXXI.

The amount of each Exhibition shall be £30 a year, which sum shall be paid out of the Income of the School, unless the Governing Body, having regard to the said Income, shall see fit to alter this amount.

XXXII.

If at the request of any Exhibitioner the Exhibition awarded is not paid to him, it shall be paid into a Fund to be called "The Leaving Exhibitions Augmentation Fund", to which Fund shall also be paid from the Income of the School the sum of £360 a year, or such greater or less amount as the Governing Body shall from time to time determine. This Fund shall be at the disposal of the Governing Body for the purpose of augmenting any Exhibition or Exhibitions by such amount as the circumstances of any Exhibitioner may, in the opinion of the Governing Body, require; provided that the total emoluments of any Exhibitioner shall not exceed such an amount as the Governing Body may from time to time determine by Regulation.

XXXIII.

At least one Exhibition shall be awarded every year in each of the main branches of study should a worthy candidate be forthcoming.

XXXIV.

For the purposes of these Statutes the expression "the main branches of study" in the preceding Statute shall be taken to mean Classics, Mathematics, Natural Science, Modern Languages and Modern History.

XXXV.

Two, but not more than two, Exhibitions may be held together, provided they are not awarded in the same main branch of study.

XXXVI.

If two candidates are equal in the competition for an Exhibition in any one subject, preference may be given to the candidate who stands highest in the General Examination, or the Exhibition may be divided.

XXXVII.

Every Exhibition shall be tenable for four years, reckoning from the Michaelmas next after the election, provided that the holder leave the School on being so elected and read for Honours at any University in the United Kingdom, or, subject to the approval of the Governing Body, pursue other studies at such a University or elsewhere. Provided also that, before the payment of each instalment of the Exhibition, the holder produce such certificates as the Governing Body shall require of his good conduct and his diligence in study. Provided, further, that the Governing Body shall have power to deprive of his Exhibition any Exhibitioner who shall in their opinion have been proved guilty of lack of industry or of serious misconduct.

Sealed with the Common Seal of the Governing Body of Rugby School by their order. (L.S.)

MILK ACTS, 1934 AND 1936.

Notice is hereby given that the Minister of Agriculture and Fisheries and the Secretary of State for Scotland, acting jointly, have certified the cheese-milk price for the month of March, 1937, as required by Sub-section 2 of Section 4 of the Milk Act, 1934, as amended by Section 5 and Part II of the Schedule of the Milk (Extension of Temporary Provisions) Act, 1936, in the following terms:—

Certification of Cheese-Milk Price.

Whereas by Sub-section (1) of Section 4 of the Milk Act, 1934 (hereinafter referred to as "the Act") it is provided that for the purposes of the Act the cheese-milk price for any month shall be the excess over one penny three farthings of the average of the prices per pound at which cheese such as is commonly known at the commencement of the Act as "New Zealand Finest White" and "Canadian Finest White" was sold wholesale in Great Britain during the immediately preceding month;

And whereas by Sub-section (2) of the said Section as amended by Section 5 and Part II of the Schedule of the Milk (Extension of Temporary Provisions) Act, 1936, the Minister of Agriculture and Fisheries and the Secretary of State for Scotland, acting in conjunction, are required to certify as soon as may be after the beginning of September, 1934, and of each subsequent month falling before October, 1939, the cheese-milk price for that month;

Now, therefore, the Minister of Agriculture and Fisheries and the Secretary of State for Scotland, acting in conjunction, hereby certify that the cheese-milk price for the month of March, 1937, is 4.90 pence per pound.

The method by which the cheese-milk price for the month as certified above has been computed is as follows:—

(i) The range of price quotations in respect of sales by wholesale of "New Zealand Finest White" cheese and of "Canadian Finest White" cheese, as published by the London Provision Exchange Ltd., for each of the periods ended at 11.30 a.m. on each of the Fridays in the preceding month, has been examined.

(ii) The average of the mean prices for the two kinds of cheese has been ascertained for each of the said periods, exceptional quotations being disregarded. The average of the periodic averages so ascertained has then been calculated to two places of decimals and expressed in pence per pound.

(iii) From the figure thus obtained one penny three farthings has been subtracted and the balance gives the figure certified above.
