*Civil Service Commission,
December 31, 1937.*

The Civil Service Commissioners hereby give notice that the following Regulations are published with the approval of the Lords Commissioners of His Majesty's Treasury, viz.:—

REGULATIONS RESPECTING OPEN COMPETITIVE EXAMINATIONS FOR SITUATIONS IN THE JUNIOR GRADE OF THE ADMINISTRATIVE CLASS.

With the exception of posts in the Defence Departments and the Colonial, Dominions and India Offices, for which men only are eligible, competitions under these regulations are open both to men and women.

These regulations are liable to alteration from time to time.

1. Candidates must have attained the age of 21 and must not have attained the age of 24 on the first day of August in the year in which the examination is held.

In reckoning age for competition the following allowances will be made, viz.:—

(a) Candidates who have served or are serving in the Army, Navy, or Air Force may deduct from their actual age any time during which they have so served.

(b) Candidates who have served in any established civil situation to which they were admitted with the Certificate of the Civil Service Commissioners may deduct from their actual age any time not exceeding two years which they may have spent in such service.

2. Every candidate must be a natural-born British subject, the child of a person who is or was at the time of death a British subject. Provided that exception may be made in the case of natural-born British subjects who have satisfactorily completed a period of not less than five years' service on full pay in His Majesty's Regular Forces.

Provided also that if the Civil Service Commissioners are satisfied in the case of any candidate who is a British subject but does not fulfil all the requirements of the rule as to nationality and descent, that the candidate is so closely connected by ancestry and upbringing with His Majesty's dominions that an exception may properly be made to that rule, they may accept such candidate as eligible provided that this discretion shall not be exercisable unless (a) the father or the paternal grandfather of the candidate was a natural-born British subject, and (b) neither the father nor the paternal grandfather had acquired any other nationality by naturalization or by any other voluntary and formal act.

3. No person actually serving in the Army, Navy, or Air Force will be eligible for admission to the examination unless he produces to the Civil Service Commissioners, when called upon to do so, the permission of his Commanding Officer to attend the examination, dated before the commencement of the competition, and given in accordance with such orders as may from time to time be issued.

Persons holding situations in the Civil Service must obtain the permission of the authorities of their Department to attend the examination before the commencement of the competition.

Persons upon whose training for the occupation of teacher public money has been spent cannot be appointed until the consent of the appropriate education authority has been notified to the Civil Service Commissioners.

4. Candidates must satisfy the Civil Service Commissioners as to their health and character.

Women candidates must be unmarried or widows and will normally be required to resign their appointments on marriage; but exception to the rule requiring resignation on marriage may, in individual circumstances, be made where the employment of a married woman is considered advisable in the light of her special qualifications, or special experience in relation to the duties required of her, or of the special requirements of the Department in which she is serving.

1. The limits of age for this Examination are 18 and 23. Candidates must be of the prescribed age on the first day of the Examination.

2. Every candidate must be a natural-born British subject, the child of a person who is or was at the time of death a British subject. Provided that exception may be made in the case of natural-born British subjects who have satisfactorily completed a period of not less than five years' service on full pay in His Majesty's Regular Forces.

Provided also that if the Civil Service Commissioners are satisfied, in the case of any candidate who is a British subject but does not fulfil all the requirements of the rule as to nationality and descent, that the candidate is so closely connected by ancestry and upbringing with His Majesty's dominions that an exception may properly be made to that rule, they may accept such candidate as eligible provided that this discretion shall not be exercisable unless (a) the father or the paternal grandfather of the candidate was a natural-born British subject, and (b) neither the father nor

the paternal grandfather had acquired any other nationality by naturalization or by any other voluntary and formal act.

The Examination may be held in two parts at the discretion of the Civil Service Commissioners. In this case the first part of the Examination, viz., subjects 1 to 6 inclusive, will be used to reduce the number of competitors to be admitted to the second part, viz., subject 7. Of those who pass and obtain the highest aggregate marks on the first part a certain number, to be determined by the Civil Service Commissioners, will be admitted to the second part of the Examination. The successful list will consist of those candidates who pass and obtain the highest aggregate marks in the whole Examination.

6. Any attempt, direct or indirect, on the part of candidates to enlist support for their applications through influential persons will disqualify them for appointment.

7. Applications for permission to attend an Examination must be made at such time and in such manner as the Civil Service Commissioners may appoint.

8. A fee of £1 will be required from every applicant for permission to attend an Examination; this fee is not returnable in any circumstances. A further fee of £3 5s., being the balance of the prescribed fee of £4 5s., will be required from every candidate attending such Examination.
