

(13 and 14 Geo. 5 Ch. 33) in relation to Saint John Baptist College in the University of Oxford duly passed at a General Meeting of the Governing Body of the said College specially summoned for this purpose on the first day of December one thousand nine hundred and thirty-seven under Section 7 (2) of the said Act by the votes of not less than two-thirds of the number of the persons present and voting and approved by Congregation of the University on the eleventh day of December one thousand nine hundred and thirty-seven in accordance with Section 7 (2) of the said Act and submitted to His Majesty The King in Council.

Whereas by a Statute made by the University on the twenty-fifth day of May one thousand nine hundred and thirty-seven subject to the approval of His Majesty in Council the provisions of the University Statute concerning College Contributions for University purposes were amended by altering the basis of contribution in respect of income derived from Trust Funds held for the benefit of a College whether vested in the College or otherwise and in other particulars.

And whereas it is expedient to amend the provisions of the Statute of the College concerning Disposal of Revenue by enabling the College to apply income derived from certain of such Trust Funds in or towards payment of contributions for University purposes imposed on the College in respect of such income.

And whereas the College as trustee or governing body of the trust specified in the First Part of the Schedule to this Statute has consented under its corporate seal and the trustees or governing body of the trust specified in the Second Part of such Schedule have consented in writing to the alteration of such trusts by amendment of the Statute of the College concerning disposal of Revenue in manner hereinafter provided.

Now the College in exercise of the powers in that behalf conferred upon it by the Universities of Oxford and Cambridge Act 1923 and of all other powers enabling it by this Statute passed at a General Meeting of the Governing Body of the College specially summoned for the purpose by the votes of not less than two-thirds of the number of persons present and voting hereby enacts subject to the approval of His Majesty in Council as follows:—

Clause 3 of Statute XX (Disposal of Revenue) of the Statutes of the College shall be deleted and there shall be substituted therefor the following clause:—

“ 3.—(1) Income to which this clause applies may be applied in or towards the payment of any charges for University purposes imposed on the College by any Statute or Statutes made for the University from time to time under the powers of the Universities of Oxford and Cambridge Act 1877 and the Universities of Oxford and Cambridge Act 1923 to the extent to which any such charges are so imposed in respect of such income.

(2) This clause applies to income arising from any endowment, benefaction, or trust, and applicable to the maintenance of any fellowship, scholarship, or exhibition within the College, or to any other purpose for the benefit of the College or of the Head or any other member of the College, including any fund for

the purchase of advowsons, in every case where the endowment, benefaction, or trust

(a) was created by an instrument which came into operation not less than sixty years before the first day of December one thousand nine hundred and thirty-seven, or

(b) is included among the endowments, benefactions, or trusts specified in the Schedule appended to this clause, the trustees or governing bodies whereof have consented to the provisions of this clause.
