

would be disqualified from voting in an election taking place in the first four months of the year.

9. In view of the above considerations, and on the assumption that election by licensees would not satisfy the requirements of the section, the Board are of opinion that it is not practicable to make provision for the election by persons engaged in the herring industry of the members of the Board who are required to be persons having special knowledge of the industry.

184, Strand,
London, W.C.2.

21st October, 1937.
