Privy Council Office,
15th March, 1938.

The following Statute made by the Governing Body of the College of the Great Hall of the University, commonly called University College, Oxford, on the 4th day of March, 1938, has been submitted for the approval of His Majesty in Council, and notice of its having been so submitted is published in accordance with the provisions of “The Universities of Oxford and Cambridge Act, 1923.”

Ex parte the Master and Fellows of the College of the Great Hall of the University, commonly called University College, in the University of Oxford.

A STATUTE to amend the Statutes made by the University of Oxford Commissioners under the Universities of Oxford and Cambridge Act, 1923 (13 & 14 Geo. 5, ch. 33), for the aforesaid College as thereafter amended in accordance with the said Act, duly enacted at an Extraordinary General Meeting specially summoned for the purpose and holden on the fourth day of March, 1938, and passed by the votes of not less than two-thirds of the number of persons present and voting, and ordered for sealing, and now submitted for the approval of His Majesty in Council.

Whereas it is expedient to amend the said Statutes in relation to the following matters: in respect of the appointment and duties of a

temporary Vice-Master; in respect of the Fellows, in order to give a proper place in the Statutes to the Radcliffe Medical Fellowship, which it is proposed to establish with the surplus from the Linton Fund, and to regulate the position of the Lady Wallis Budge Fellow in Egyptology; in respect of Officers to remove an obsolete clause concerning the residence of Officers for disciplinary purposes, which are now provided for in other ways; in respect of the Tuition Fund and Scholarships in order to make possible increased grants from the Linton Fund and the Heron Fund to the Scholarship Fund and enable the College to use the surplus of the Linton Fund to the best advantage, and to empower the College to establish Open Exhibitions to be awarded on the same terms as open scholarships and to raise the statutory limit on the total expenditure of the Scholarship Fund; in respect of Pensions, in order to give authority to the Master and Fellows to admit any Research Fellow or other Stipendiary Fellow to the Federated Superannuation Scheme for Universities.

And whereas the Hebdomadal Council of the University on the twenty-first day of February, 1938, resolved that the said Statute in respect of certain parts of it was not an alteration of a Statute affecting the University within the meaning of Section 7 (2) of the Universities of Oxford and Cambridge Act, 1923, and that no action should be taken on the part of the University in respect thereof (*Oxford University Gazette*, Vol. LXVIII., No. 2205, page 430).

And whereas the Congregation of the University on the first day of March, 1938, resolved in respect of the remaining parts of the said Statute that the consent of the University be given thereunto in so far as such consent is required by the said section of the said Act (*Oxford University Gazette*, Vol. LXVIII., No. 2206, page 466).

Now, therefore, we, the Master and Fellows of the said College, in virtue of all and every powers enabling us contained in Statute XIII. 1. of our Statutes and Section 7 (2) of the Universities of Oxford and Cambridge Act, 1923, do alter and amend the said Statutes by the following omissions, alterations and additions:—

Statute I. 6, p. 9.

At the end we add “If an election of the Master is being made under this section the person qualified under Statute II. 11 to act as temporary Vice-Master shall act so far as necessary for the purpose of the election as Vice-Master”.

Statute II. 11, p. 14, lines 1-3.

We omit the words “the Dean of the College being a Fellow, or in case the Dean be absent or not a Fellow”.

Statute III., p. 29.

After Section 28 we add a new clause:

“29. The holder for the time being of the Radcliffe Medical Fellowship established under Statute VIII. 12 from the Linton Fund shall have a place and vote at any College Meeting. He shall receive in respect of his Fellowship such annual stipend of not less than £200 nor more than £500 as the Master and Fellows may allocate to the said Fellow, and unless and until the Master and
