

2. Lands containing an area of half an acre or thereabouts situate in the urban district of Newhaven in the administrative county of East Sussex but formerly situate in the parish of Denton in the rural district of Newhaven in the said administrative county comprising part of the enclosure numbered 12 in the parish of Denton on the ¹/₂₅₀₀ Ordnance Map Edition of 1928 Sussex (East) Sheet LXXXVIII-4.

6. To authorise the Undertakers to construct and lay down on the lands described in paragraph 5 hereof drains and other works for intercepting foul waters or for preventing the water of the Undertakers from becoming polluted or discoloured and for those purposes to break up streets.

7. To authorise the Undertakers to purchase take on lease or otherwise acquire by agreement and to hold additional lands for the purposes of their undertaking, and to confer powers upon the Undertakers with respect to the retention, holding, use and disposal of any lands for the time being belonging to them, and the reservation of water and other rights and the imposing of restrictions on the occasion of any such disposal.

8. To empower the Undertakers to execute in upon or under any lands for the time being belonging to them any of the works and to exercise any of the powers mentioned in or conferred by section 12 of the Waterworks Clauses Act, 1847.

9. To empower the Undertakers for the purpose of supplying water to premises within their limits of supply to break up and lay pipes in streets and roads outside those limits and to extend to such streets and roads the powers exercisable by owners or occupiers of premises in regard to the breaking up of streets sewers drains and other property for the purpose of laying or maintaining pipes and apparatus.

10. To empower the Undertakers to make additional charges for and to enact provisions with respect to water used for swimming baths, bathing pools, horses, washing carriages or motor cars or kindred purposes, refrigerating apparatus, apparatus depending upon a supply of continuously running water and water softening apparatus; to make special provision as to the supply of water to dwelling houses partly used for trade business or manufacture, public institutions, hospitals, sanatoria, schools, clubs, hostels, assembly halls, places of public entertainment, restaurants, hotels, licensed premises, boarding houses and other premises and with respect to water used for farming purposes; to empower the Undertakers to require water used for the foregoing purposes or any of them to be taken by meter, to make minimum charges for such water and to make special charges for water so used by means of hosepipes or similar apparatus; to make further provision with respect to the laying repairing maintaining and renewing of communication pipes and apparatus connected therewith and pipes common to several premises and the making of connections between communication or service pipes and the mains of the Undertakers; to confer on the Undertakers powers with respect to the execution of such works (whether by agreement with owners and occupiers or otherwise) and the recovery of the cost thereof from owners or occupiers and to impose or

confer on owners and occupiers or other persons obligations with respect to the matters aforesaid and powers of breaking open streets roads and other property.

11. To make further provision with regard to entry on and inspection of premises for the purpose of cutting off the supply of water and for ascertaining whether there be any waste or misuse of water.

12. To make provision with respect to the supply of water to caravans shacks huts tents or other like structures; to relieve the Undertakers from any obligation to supply or to continue to supply such structures with water otherwise than by meter and unless a minimum charge be paid for such supply and security for the payment of such charge be given.

13. To make provision with respect to the rates payable on connected premises in one occupation; the recovery of rates or other sums due from persons removing; the protection of fittings from distress, execution and proceedings in bankruptcy; and the notice to be given to the Undertakers before any meter is connected or disconnected.

14. To make further provision with reference to notice of meetings of the Undertakers; the appointment, removal, retirement, remuneration and powers of a managing director; the keeping and authentication of the registers of the Undertakers; and otherwise with reference to the more convenient administration of the affairs of the Undertakers.

15. To empower the Undertakers or the directors of the Undertakers to grant superannuation or other allowances pensions or gratuities and to make other payments to their employees and their widows, families and dependants, to establish pension superannuation and other funds, to establish modify or rescind superannuation schemes, to enter into and carry into effect agreements with local authorities, insurance companies and others for securing allowances, pensions, gratuities and other payments and to apply the revenues of the Undertakers for all or any of those purposes; and to enact all necessary or convenient provisions in respect of the matters aforesaid.

16. To impose penalties for interference with valves and apparatus; and to make provision with respect to the inclusion of several sums in one summons and the recovery of penalties and demands.

17. To sanction and confirm any agreements and arrangements which may have been or may before the granting of the intended Order be entered into touching any of the matters referred to in this Notice.

18. To confer upon the Undertakers all or some of the powers of the Lands Clauses Acts, the Companies Clauses Acts, the Waterworks Clauses Acts 1847 and 1863 and the Gas and Water Works Facilities Acts 1870 and 1873 with modifications and exceptions and all or any powers commonly conferred upon water undertakers; to render inapplicable to the Undertakers certain provisions of the said Acts or some of them; to incorporate, amend or repeal all or any of the provisions of the Newhaven and Seaford Water Order, 1881, the Newhaven and Seaford Water Act, 1898, the Newhaven and Seaford Water Act 1922 and the Newhaven and Seaford Water Order 1927 and of any other Act or Order affecting the
