Kaid Yousef Hussein Ali Bey, Trans-Jordan Frontier Force.

In the action at Khirbet Samra on the 5th July, 1938, he displayed exceptional qualities of leadership and initiative.

## *Civil Service Commission, January 3, 1939.*

The Civil Service Commissioners hereby give notice that the following Regulations are published with the approval of the Lords Commissioners of His Majesty's Treasury, viz.:—

### REGULATIONS RESPECTING OPEN COMPETITIVE EXAMINATIONS FOR SITUATIONS IN THE JUNIOR GRADE OF THE ADMINISTRATIVE CLASS.

*With the exception of posts in the Defence Departments and the Mines Department, for which men only are eligible, competitions under these regulations are open both to men and women.*

*These regulations are liable to alteration from time to time.*

1. Candidates must have attained the age of 21 and must not have attained the age of 24 on the first day of August in the year in which the examination is held.

In reckoning age for competition the following allowances will be made, viz.:—

(a) Candidates who have served or are serving in the Army, Navy, or Air Force may deduct from their actual age any time during which they have so served.

(b) Candidates who have served in any established civil situation to which they were admitted with the Certificate of the Civil Service Commissioners may deduct from their actual age any time not exceeding two years which they may have spent in such service.

2. Every candidate must be a natural-born British subject, the child of a person who is or was at the time of death a British subject. Provided that exception may be made in the case of natural-born British subjects who have satisfactorily completed a period of not less than five years' service on full pay in His Majesty's Regular Forces.

Provided also that if the Civil Service Commissioners are satisfied in the case of any candidate who is a British subject but does not fulfil all the requirements of the rule as to nationality and descent, that the candidate is so closely connected by ancestry and upbringing with His Majesty's dominions that an exception may properly be made to that rule, they may accept such candidate as eligible provided that this discretion shall not be exercisable unless (a) the father or the paternal grandfather of the candidate was a natural-born British subject, and (b) neither the father nor the paternal grandfather had acquired any other nationality by naturalization or by any other voluntary and formal act.

3. No person actually serving in the Army, Navy, or Air Force will be eligible for admission to the examination unless he produces to the Civil Service Commissioners, when called upon to do so, the permission of his Commanding Officer to attend the examination,

dated before the commencement of the competition, and given in accordance with such orders as may from time to time be issued.

Persons holding situations in the Civil Service must obtain the permission of the authorities of their Department to attend the examination before the commencement of the competition.

Persons upon whose training for the occupation of teacher public money has been spent cannot be appointed until the consent of the appropriate education authority has been notified to the Civil Service Commissioners.

4. Candidates must satisfy the Civil Service Commissioners as to their health and character.

Women candidates must be unmarried or widows and will normally be required to resign their appointments on marriage; but exception to the rule requiring resignation on marriage may, in individual circumstances, be made where the employment of a married woman is considered advisable in the light of her special qualifications, or special experience in relation to the duties required of her, or of the special requirements of the Department in which she is serving.

This option cannot be exercised by a candidate who can reduce his aggregate to 700 by omitting one or more of the subjects he proposes to offer.

7. The following restrictions apply to particular subjects in Section B.

International Relations (26), may not be taken by a candidate who offers European History, Period 3 (9), or International Law (15).

Greek Literature (61), may be taken only by candidates who offer Greek Translation (58), and Latin Literature (65) only by those who offer Latin Translation (62).

In subjects 69 to 85 the history or literature paper associated with a language may be taken only by candidates who offer the language itself for examination.

A candidate who offers one or more of the subjects French History (69), German History (72), Spanish or Italian History (75), Russian History (78), may not offer either subject 8 (European History, Period 1 or Period 2) or subject 9 (European History, Period 3).

8. A candidate desiring to offer Experimental Psychology (23), or any of the subjects 38 to 49 must produce evidence satisfactory to the Civil Service Commissioners of laboratory training in an institution of university rank. For Astronomy (37), Engineering (50), Geography (51), and the Physical Anthropology branch of Special Anthropology (53), other equivalent training will be required. There will be no laboratory test as part of the examination.

9. From the marks assigned to candidates in each subject such deduction will be made as the Civil Service Commissioners may deem necessary in order to secure that no credit be allowed for merely superficial knowledge.

10. Moreover, candidates whose handwriting is not easily legible will suffer a further deduction of marks on that account.

11. Application for permission to attend one of these examinations must be made in the writing of the candidate, at such times and in such manner as may be fixed by the Commissioners.

12. A fee of £2 will be required from every applicant for permission to attend an examination; this fee is not returnable in any circumstances. A further fee of £6, being the balance of the prescribed fee of £8, will be required from every candidate attending such examination.

13. Out of the list resulting from each examination will be filled (provided there be candidates duly qualified):—

(a) All the vacancies in the Junior Grade of the Administrative Class which may have been reported to the Civil Service Commissioners up to the date of the announcement of the result of the examination;

(b) Any additional vacancies occurring within six months from the date of the announcement of the result of the examination, which the Head of the Department may desire to have so filled.

The assignment by the Civil Service Commissioners of successful candidates will be made with due regard to the requirements of the situation to be filled. Subject to this condition, candidates will be allowed to choose, according to their place on the list, among the vacancies (a) for which they are duly qualified; or they may elect to wait for the chance of a vacancy (b). When vacancies (b) occur, they will be offered in rotation to the qualified candidates then on the list, who will be free to decline them without forfeiting their claim to subsequent vacancies (b).

The Civil Service Commissioners further give notice that an Open Competitive Examination will be held in London in 1939 under the foregoing Regulations. The viva voce tests will probably begin towards the end of June and the written examination early in July.

No person will be admitted to Examination from whom the Secretary of the Civil Service Commission has not received, on or before the 11th April, 1939, an application, in the candidate's own handwriting, on a prescribed form, which may be obtained from the Secretary at once.
