6. In Section B a candidate who wishes to offer subjects the aggregate value of which exceeds 700 marks must name a subject to be valued on a reduced maximum in order to bring the aggregate to 700. This option cannot be exercised by a candidate who can reduce his aggregate to 700 by omitting one or more of the subjects he proposes to offer.

7. The following restrictions apply to particular subjects in Section B.

International Relations (26), may not be taken by a candidate who offers European History, Period 3 (9), or International Law (15).

Greek Literature (61), may be taken only by candidates who offer Greek Translation (58), and Latin Literature (65) only by those who offer Latin Translation (62).

In subjects 69 to 85 the history or literature paper associated with a language may be taken only by candidates who offer the language itself for examination.

A candidate who offers one or more of the subjects French History (69), German History (72), Spanish or Italian History (75), Russian History (78), may not offer either subject 8 (European History, Period 1 or Period 2) or subject 9 (European History, Period 3).

8. A candidate desiring to offer Experimental Psychology (23), or any of the subjects 38 to 49 must produce evidence satisfactory to the Civil Service Commissioners of laboratory training in an institution of university rank. For Astronomy (37), Engineering (50), Geography (51), and the Physical Anthropology branch of Special Anthropology (53), other equivalent training will be required. There will be no laboratory test as part of the examination.

9. From the marks assigned to candidates in each subject such deduction will be made as the Civil Service Commissioners may deem necessary in order to secure that no credit be allowed for merely superficial knowledge.

10. Moreover, candidates whose handwriting is not easily legible will suffer a further deduction of marks on that account.

11. Application for permission to attend one of these examinations must be made in the writing of the candidate, at such times and in such manner as may be fixed by the Commissioners.

12. A fee of £2 will be required from every applicant for permission to attend an examination; this fee is not returnable in any circumstances. A further fee of £6, being the balance of the prescribed fee of £8, will be required from every candidate attending such examination.

13. Out of the list resulting from each examination will be filled (provided there be candidates duly qualified):—

(a) All the vacancies in the Junior Grade of the Administrative Class which may have been reported to the Civil Service Commissioners up to the date of the announcement of the result of the examination;

(b) Any additional vacancies occurring within six months from the date of the announcement of the result of the examination, which the Head of the Department may desire to have so filled.

The assignment by the Civil Service Commissioners of successful candidates will be made with due regard to the requirements of the situation to be filled. Subject to this condition, candidates will be allowed to choose, according to their place on the list, among the vacancies (a) for which they are duly qualified; or they may elect to wait for the chance of a vacancy (b). When vacancies (b) occur, they will be offered in rotation to the qualified candidates then on the list, who will be free to decline them without forfeiting their claim to subsequent vacancies (b).

The Civil Service Commissioners further give notice that an Open Competitive Examination will be held in London in 1939 under the foregoing Regulations. The viva voce tests will probably begin towards the end of June and the written examination early in July.
