

Anderson and Detective Sergeant Hillhouse gave chase. The would-be assassin then fired at a Chinese police constable who, falling to the ground, fired one shot at the assailant with effect.

Anderson and Detective Sergeant Hillhouse closed in on the assailant. Anderson being slightly in front, Detective Sergeant Hillhouse was unable to fire. Anderson then jumped on the back of the Chinese and began to grapple with the man, who managed to fire another round, grazing the leg of Detective Sergeant Hillhouse, who manoeuvred for position and fired two shots at the assailant, who then dropped his pistol and was arrested.
