#### Air Ministry

# 29th March, 1940.

#### ROYAL AIR FORCE.

The KING has been graciously pleased to approve of the undermentioned award in recognition of gallantry displayed in flying operations against the enemy:-

#### Awarded the Distinguished Flying Cross.

Flying Officer Edgar James KAIN (39534). In March, 1940, while on patrol with another aircraft, Flying Officer Kain sighted seven enemy bombers about 5,000 feet above him, and while giving chase well into Ger-many, he was attacked from behind by an enemy fighter. Showing the finest fighting spirit this officer out-manoeuvred the enemy and although his own aircraft was badly damaged he succeeded in bringing the hostile aircraft down. Thick smoke and oil fumes had filled his cockpit and although unable to see his compass, he skilfully piloted his aircraft inside allied lines in spite of being choked and blinded by the smoke.
