At the Court at *Buckingham Palace*, the 29th day of May, 1940.

PRESENT,

The KING's Most Excellent Majesty in Council.

WHEREAS the Ecclesiastical Commissioners for England have, in pursuance of the Union of Benefices Measures, 1923 to 1936, duly prepared and laid before His Majesty in Council a Scheme bearing date the 11th day of April, 1940, in the words and figures following, that is to say:—

" We, the Ecclesiastical Commissioners for England, acting in pursuance of the Union of Benefices Measures, 1923 to 1936, have prepared and now humbly lay before Your Majesty in Council the following Scheme for effecting the union of the Benefice (being a Rectory) of Skelton and the Benefice (being a Rectory) of Hutton in the Forest, both of which Benefices are situate in the County of Cumberland and in the Diocese of Carlisle:

" Whereas Commissioners appointed at our request by the Right Reverend Henry Herbert, Bishop of Carlisle, pursuant to the provisions of the said Measures to inquire into and report upon the union of the said two Benefices of Skelton and Hutton in the Forest duly made their Report to the said Bishop of Carlisle and therein recommended the union of the said two Benefices and the terms for effecting the union, and the said Bishop of Carlisle signified in writing his approval of the said Report:

" And whereas we, the said Ecclesiastical Commissioners for England, have prepared this Scheme for the union of the said two Benefices based upon the terms recommended in the said Report:

" And whereas both of the said Benefices are now full the Reverend Henry Currie Snape being the present Incumbent of the said Benefice of Skelton and the Reverend Henry Eldred Wood being the present Incumbent of the said Benefice of Hutton in the Forest:

" Now, therefore, we, the said Ecclesiastical Commissioners for England, with the consent of the said Henry Herbert, Bishop of Carlisle (in testimony whereof he has signed this Scheme), do humbly recommend and propose to Your Majesty as follows, that is to say:—

" 1. That the said Benefice of Skelton and the said Benefice of Hutton in the Forest shall be permanently united together and form one Benefice with Cure of Souls under the style of 'The United Benefice of Skelton with Hutton in the Forest' but the Parishes of the said Benefices shall continue distinct in all respects.

" 2. That if upon the day when any Order of Your Majesty in Council ratifying this Scheme shall be published in the London Gazette both of the said two Benefices shall be vacant, the union of the same two Benefices shall take effect forthwith: and if the said Benefice of Hutton in the Forest only shall be then vacant the said union shall also take effect forthwith if the Incumbent of the other of the said two

Benefices shall with the approval of the Bishop consent to become the first Incumbent of the United Benefice, but if he shall not so consent, or if the Bishop shall not approve, then the said union shall take effect upon the then next avoidance of the said Benefice of Skelton and the then Incumbent of Hutton in the Forest shall be the first Incumbent of the United Benefice, and if the said Benefice of Skelton only shall be then vacant the said union shall take effect upon the next avoidance of the said Benefice of Hutton in the Forest and if neither of the said two Benefices be then vacant, then the said union shall take effect on the next avoidance of the said Benefice of Hutton in the Forest if the Incumbent at that time of the said Benefice of Skelton shall have been instituted to Skelton subsequently to the date of the publication in the London Gazette of any Order of Your Majesty in Council ratifying this Scheme or if instituted before that date shall with the approval of the Bishop consent to become the Incumbent of the United Benefice, but if he shall have been instituted to the said Benefice of Skelton before that date and shall not so consent, or if the Bishop shall not approve, then the said union shall take effect immediately upon the next vacancy of the said Benefice of Skelton following such avoidance of the said Benefice of Hutton in the Forest and the then Incumbent of the said Benefice of Hutton in the Forest shall become the first Incumbent of the United Benefice.

" 3. That upon the said union taking effect the Parsonage House at present belonging to the said Benefice of Skelton shall become and be the house of residence for the Incumbent of the United Benefice and so soon as conveniently may be the Parsonage House at present belonging to the said Benefice of Hutton in the Forest and the site and appurtenances thereof and the grounds heretofore usually occupied and enjoyed therewith shall be sold and disposed of by us the said Ecclesiastical Commissioners at such time or times and in such manner in all respects as to us shall seem expedient and that the net proceeds of such sale shall constitute and form part of the Expenses Fund established pursuant to the 32nd Section of the Union of Benefices Measure, 1923.

" 4. That upon the said union taking effect or upon the date, if later, of the cessation of any pension charge placed upon the revenues of the said Benefice of Hutton in the Forest upon the retirement therefrom of the said Henry Eldred Wood a part of the total endowments and property of the Benefices hereinbefore recommended and proposed to be constituted an United Benefice, that is to say, (a) the sum of £2,100 Royal Bounty £3 per cent. money now held by Queen Anne's Bounty on behalf of the said Benefice of Hutton in the Forest and (b) a part that is to say sufficient to produce at the date upon which the said union shall take effect or the said charge shall cease, as the case may be, £37 per annum of the sum of money appropriated or to be appropriated by Queen Anne's Bounty to the said Benefice of Skelton pursuant to the provisions of Part II paragraph 2 of the Third Schedule to the Tithe Act, 1936, and paragraph 1 of the Eighth Schedule to the same Act shall be severed or diverted from the said Benefices of Hutton in the Forest and Skelton and from the United

Benefice and shall be appropriated by Queen Anne's Bounty for the augmentation of the Benefice of Penrith in the said Diocese of Carlisle.

" 5. That after the said union has taken effect the course and succession in which the respective Patrons shall present or nominate to the United Benefice from time to time as the same shall become vacant shall be as follows, that is to say, that in every series of three successive turns of presentation or nomination to be made to the United Benefice after the union the Patrons of the said Benefice of Hutton in the Forest shall have the first turn and the Patrons of the said Benefice of Skelton shall have the second and the third turns.

" Provided always that nothing herein contained shall prevent us from making any other recommendations and proposals relating to the matters aforesaid, or any of them, in accordance with the provisions of the said Measures, or of any other Measure of the National Assembly of the Church of England, or of any Act of Parliament."

And whereas drafts of the said Scheme have been duly published in accordance with the provisions of the said Measures, and Notices have been transmitted to the persons or bodies entitled under the said Measures to receive Notice requiring any objections to such draft Scheme to be stated or transmitted in writing to the said Ecclesiastical Commissioners within the time prescribed in the Statutory Rules applicable to proceedings under the said Measures:

And whereas certain objections have been so stated or transmitted to the said Ecclesiastical Commissioners within the time prescribed in the same Rules:

And whereas the said Ecclesiastical Commissioners after giving full consideration to such objections have deemed right to make a certain alteration in such draft Scheme:

And whereas public notice of the certification to His Majesty in Council of the said Scheme and the consent thereto in writing of the Bishop of Carlisle has been duly given in the manner and within the time prescribed in the Statutory Rules aforesaid:

And whereas no appeal has been made to His Majesty in Council within the period of one month after the date of the said public notice in accordance with the provisions of the said Measures against the said Scheme or any part thereof by any person who has made objection as aforesaid to the said draft Scheme:

And whereas the said Scheme has been approved by His Majesty in Council:

Now, therefore, His Majesty by and with the advice of His said Council is pleased hereby to affirm the said Scheme and to order that the Benefices therein recommended to be united shall be united to the extent and for the purposes recommended in the said Scheme and further to order and direct that the said Scheme and every part thereof shall be effectual in law immediately from and after the date when this Order shall have been duly published in the London Gazette pursuant to the said Measures:

And His Majesty, by and with the like advice is pleased hereby to direct that this Order be forthwith registered by the Registrar of the said Diocese of Carlisle.

The KING has been graciously pleased to give orders for the following appointment to the Most Excellent Order of the British Empire (to be dated 6th April, 1940):—

To be an Additional Member of the Military Division of the said Most Excellent Order:—

For gallantry, promptitude and disregard of his own safety in saving life when an aircraft in which he was second pilot crashed and burst into flames.

CENTRAL CHANCERY OF THE ORDERS
OF KNIGHTHOOD.

St. James's Palace, S.W.1.
31st May, 1940.

The KING has been graciously pleased to give orders for the following appointment to the Most Excellent Order of the British Empire:—

To be an Additional Member of the Civil Division of the said Most Excellent Order:—

Thomas Leach Asquith, Esq., Chemist, Royal Ordnance Factory.

When a serious explosion took place in the Factory on the 2nd April, Mr. T. L. Asquith was in general charge of operations. He proceeded immediately to the scene of the trouble and took control. He had just issued instructions for the operation of the drowning device and warned men not needed for its operation to escape, when the explosion occurred. He was blown by the explosion up the side of the mound, but recovered consciousness after a few seconds; he immediately resumed control of the situation and worked most efficiently until more senior help arrived. He showed a quick appreciation of the circumstances, initiative and quiet courage.

OF KNIGHTHOOD.

St. James's Palace, S.W.1.
31st May, 1940.

The KING has been graciously pleased to approve of the posthumous Award of the Medal of the Civil Division of the Most Excellent Order of the British Empire, for Gallantry, to the late:—

John McCabe, Assistant Foreman, Royal Ordnance Factory.

The late John McCabe tragically lost his life through his exemplary devotion to duty on the 2nd April, when an explosion took place in the Factory. From the time that it was noticed that there were unusual conditions in the plant, he did all that was possible to get conditions normal. When this was unavailing and a fire was seen in one of the vessels, he attempted to use the mechanism which empties the contents of the vessel to a drowning pit. By this time the fire had spread to other vessels, and, after warning their men to escape, Messrs. Asquith and McLelland tried to use the appliance which is worked from outside the house for emptying all the vessels in the house, McCabe himself proceeding to work the same appliance within the building. While he was in the act of doing this, the explosion happened and he was instantly killed.

The KING has also been graciously pleased to approve of the following Award:—

The Medal of the Civil Division of the Most Excellent Order of the British Empire, for Meritorious Service:—

Hugh McLelland, Charge Hand, Royal Ordnance Factory.

On the occasion of the explosion which took place in the Factory on the 2nd April, McLelland remained with and helped McCabe and Asquith in all that they did, and had, in accordance with the latter's instructions, just operated the lever on the outside of the house to empty all the vessels in the house when the explosion took place. He was blown by the explosion through the entrance in the traverse and was seriously injured.
