DISEASES OF ANIMALS ACTS,
1894 TO 1937.

Notice is hereby given in pursuance of Section 49 (3) of the Diseases of Animals Act, 1894, that the Minister of Agriculture and Fisheries has made the following Orders:—

Order No. 6071.

(Dated 22nd February, 1941.)

Foot-and-Mouth Disease (Disinfection of Road Vehicles) Order of 1941.

I. Requires the disinfection, in the manner prescribed in the Order, of any road vehicle which has been used for the carriage of swill or for the carriage of any container which has been used for the carriage of swill.

II. Prohibits the conveyance of feeding stuffs for animals (other than swill) or litter or anything intended to be used for or about animals in any road vehicle at the same time as such road vehicle is being used for the carriage of swill or for the carriage of any container which has been used for the carriage of swill.

"Swill" means any broken or waste food-stuffs including table or kitchen refuse, scraps or waste, containing any meat, bones, offal or portions thereof, or any other part of the carcase of an animal; "bones" includes ground green or raw bones.

The Order comes into operation on 15th March, 1941.

Order No. 6072.

(Dated 22nd February, 1941.)

Subject.

Permits animals shipped from Northern Ireland, except from the port of Londonderry, to be landed at the approved landing place at Birkenhead on and after 26th February, 1941, for the purpose of slaughter at such landing place.
