ROYAL AIR FORCE.

The KING has been graciously pleased to approve the following awards in recognition of gallantry displayed in flying operations against the enemy:—

Distinguished Service Order.

Squadron Leader Patrick Bruce Bine OGILVIE (36025).

In March, 1941, this officer undertook an important daylight reconnaissance sortie and obtained the most valuable results. In the execution of his important task Squadron Leader Ogilvie displayed exceptional navigational skill throughout the flight of over 1,100 miles. As commanding officer of the unit, Squadron Leader Ogilvie has set a splendid example both in the air and on the ground and his courage and determined leadership have been outstanding. He has completed numerous daylight reconnaissances, often under difficult conditions, obtaining excellent results on many occasions.
