**NOTIFICATION OF A STATE OF WAR  
WITH BULGARIA.**

His Majesty's Government in the United Kingdom have been informed by the Government of the United States, who were in charge of British interests in Bulgaria, that a declaration of war by that country on Great Britain

was announced in the Bulgarian Parliament on the 13th December. His Majesty's Government have so far received no official communication to this effect from the Bulgarian Government, but in view of the above information it is hereby notified that a state of war exists between the two countries as from the 13th December.

The first part of the document  
 discusses the general principles  
 of the proposed system.  
 It is intended to provide a  
 clear and concise overview  
 of the project's objectives  
 and the methodology to be  
 employed.

2. THE PROPOSED SYSTEM

The proposed system is designed  
 to address the specific needs  
 of the organization. It will  
 consist of several key components,  
 including a central database,  
 a user interface, and a  
 reporting module. The system  
 will be implemented in a  
 modular fashion, allowing for  
 flexibility and scalability.
