ROYAL AIR FORCE.

The KING has been graciously pleased to approve the following awards in recognition of gallantry displayed in flying operations against the enemy:—

Bar to the Distinguished Flying Cross.

Acting Squadron Leader John Groves TOPHAM, D.F.C. (41882), No. 219 Squadron.

This officer has performed work of outstanding merit. A skilful pilot and a fine leader, Squadron Leader Topham has been tireless in his efforts to attain success. By his personal example he has been largely responsible for the high standard of morale existing in his squadron. Squadron Leader Topham has destroyed five enemy aircraft during sorties at night.

Distinguished Flying Cross.

Wing Commander Donald Randell EVANS (26260).

This officer has undertaken a large number of hours flying at night and in all kinds of weather. On one occasion in January, 1942, he displayed both resource and skilful airmanship when executing a safe landing at an aerodrome near the coast, after one engine of his aircraft had ceased to function. The efficiency, keenness and enthusiasm of the unit he commands reflect great credit on the efforts of Wing Commander Evans, who has himself destroyed 2 enemy aircraft.

Acting Squadron Leader Richard Geoffrey ENGLAND (90392), Auxiliary Air Force, No. 88 Squadron.

Pilot Officer Gerald Stanley BAKER (101575), Royal Air Force Volunteer Reserve, No. 88 Squadron.

In June, 1942, Squadron Leader England and Pilot Officer Baker were captain and navigator respectively of the leading aircraft of a bomber force which attacked shipping in Dunkirk harbour. When nearing the target, a fierce barrage of anti-aircraft fire was encountered. Undeterred, Squadron Leader England resolutely pressed home his attack, skilfully guided to the selected target by Pilot Officer Baker who, accurately aiming and releasing his bombs, scored a hit on an enemy tanker. Throughout the operation, Squadron Leader England displayed brilliant leadership and high courage, while Pilot Officer Baker's skilful navigation and accurate bombing contributed materially to the success achieved. Squadron Leader England, accompanied by Pilot Officer Baker as navigator, has led formations of aircraft on many sorties.

Acting Flight Lieutenant Eric Norman Woods (60119), Royal Air Force Volunteer Reserve No. 72 Squadron.

This officer has participated in 74 sorties over enemy territory. He has led his flight, and occasionally the squadron, with courage, skill and judgment. His resourcefulness, in difficult circumstances, has helped to promote and maintain the high morale of the squadron. Flight Lieutenant Woods has destroyed one and damaged a further two enemy aircraft.

Distinguished Flying Medal.

1375709 Flight Sergeant Sidney Charles HUBBARD, No. 219 Squadron.

Flight Sergeant Hubbard has been employed on night flying operations. He has taken part in the destruction of three enemy bombers at night. This airman has at all times displayed great keenness and devotion to duty.
