TUESDAY, 28 JULY, 1942

At the Court at *Buckingham Palace*, the 23rd day of *July*, 1942.

PRESENT,

The KING's Most Excellent Majesty.

Lord President.  
Marquess of Crewe.  
Mr. Bevin.  
Colonel Llewellyn.

WHEREAS by Section 21 (1) (a) of the Foreign Marriage Act, 1892, His Majesty The King in Council is authorised to make regulations prohibiting or restricting the exercise by marriage officers of their powers under the said Act in places where sufficient facilities appear to His Majesty to exist without the exercise of those powers for the solemnization of marriages to which a British subject is a party:

And whereas by Section 21 (2) of the said Act it is provided that regulations made in pursuance of the said Section may be made *inter alia* with reference to any particular class of case:

And whereas it appears that without the exercise of their powers under the said Act by marriage officers in Iran sufficient facilities exist under the forms of marriage referred to in Sections 12 and 22 of the said Act for marriages in Iran of British subjects who are serving in Iran in His Majesty's Naval or Military Forces or in the Royal Air Force:

And whereas the provisions of the Rules Publication Act, 1893, have been complied with in respect of the regulations hereinafter set forth:

Now, therefore, His Majesty, by virtue and in exercise of the powers conferred by the Foreign Marriage Act, 1892, or otherwise enabling Him in this behalf, is pleased, by and with the advice of His Privy Council, to order, and it is hereby ordered, as follows:—

1. This Order may be cited as the Foreign Marriages (Iran) Order in Council, 1942.

2. No marriage officer in Iran shall, without the special permission of the Secretary of State, solemnize any marriage between parties either of whom is serving in Iran in His Majesty's Naval or Military Forces or the Royal Air Force.

3. Nothing in this Order shall be deemed to affect the powers as a marriage officer under Section 12 of the Foreign Marriage Act, 1892, of any commanding officer of any of His Majesty's ships.

*Rupert B. Howorth.*

*Privy Council Office,*

PUBLIC SCHOOLS ACT, 1868.

The Governing Body of Winchester College having on the 11th day of July, 1942, in exercise of the powers conferred upon them by the above-named Act, and of the Acts amending the same, and of all other powers enabling them in that behalf, made

a Statute in the terms hereafter set forth, and the said Statute having this day been laid before His Majesty in Council, is hereby published in the London Gazette in accordance with the provisions in that behalf contained in the said Act.

And notice is hereby given that any person, body of persons, or body corporate, authorized in that behalf by the said Act, may, within two months after the publication of this notification, petition His Majesty in Council to withhold His approval from the whole or any part of the said Statute.

WINCHESTER COLLEGE.

A STATUTE CONCERNING WAR SCHOLARS AND COMMONERS.

Whereas it is expedient that provision should be made for assisting the education of boys of the following class, that is to say, boys who need the assistance and whose fathers in consequence of enemy action lose their lives or receive wounds or other injury or contract disease or illness, which wounds, injury, disease or illness cause or materially contribute to their deaths or permanent disablement:

Now, We, the Warden and Fellows of Winchester College, being the Governing Body of Winchester College, do hereby, in exercise of the powers of the Public Schools Act, 1868, and of the Acts amending the same, and of all other powers enabling us in that behalf, resolve and enact as follows:—

1. The Warden and Fellows shall have power from time to time, as and when they shall think fit, to do all or any of the following things:—

(1) To increase the number of the Scholarships within the College beyond seventy by providing additional Scholarships to be tenable only by boys of the aforesaid class, which said additional Scholarships and the holders thereof are in this Statute referred to respectively as "War Scholarships" and "War Scholars":

Provided that the number of the War Scholars shall not at any one time exceed six:

Provided also that the Warden and Fellows shall, with respect to any War Scholarship, have power at any time to determine that the same, if then vacant, shall not be filled up or that the same shall not be filled up upon the next-vacancy occurring therein:

(2) To make Regulations for enabling boys of the aforesaid class to receive education and maintenance at the School, as Commoners thereof in the Boarding Houses belonging to the School, or in such of the said Boarding Houses as the said Regulations shall indicate, upon special terms with respect to all or any of the fees to be paid by such boys:

Provided that such Regulations shall be so framed as to limit the number of the boys who may enjoy the benefit thereof at any one time in any one Boarding House to a number not exceeding two:

(3) To make grants out of the income of the College towards meeting any expenses relating to the education at the School of the boys for the time being enjoying the benefit of any Regulations which

shall have been made under clause (2) of this section, being expenses which the fees receivable under such Regulations shall not suffice to meet.

2.—(1) This Statute shall apply only to any boys of the aforesaid class as to whom the Warden and Fellows shall be satisfied that by reason of his pecuniary circumstances it is proper that this Statute should apply.

(2) The decision of the Warden and Fellows upon any question arising under this Statute as to whether a boy belongs to the aforesaid class or as to the pecuniary circumstances of a boy shall for the purposes of this Statute be conclusive and final.

(3) The Warden and Fellows may from time to time make Regulations or give directions with respect to the evidence to be furnished by or on behalf of a candidate for a War Scholarship, or for any other benefit mentioned in this Statute, for the purpose of proving that he is duly qualified to receive the same.

3. The provisions with respect to Scholarships and Scholars contained in the Statutes of the College for the time being in force shall apply to War Scholarships and War Scholars in the like manner as they apply to other Scholarships and other Scholars of the College, except that:—

(1) A candidate who is otherwise duly qualified may, whatever his age at the time, be elected to a War Scholarship, if he is a member of the School at the time of election.

(2) (A) The Examination relating to War Scholarships may be, and the Election-roll relating to War Scholarships shall be, separate and distinct from the Examination and the Election-roll relating to other Scholarships.

(B) In the arranging of names upon the Election-roll relating to War Scholarships the Warden and Fellows shall have a discretionary power of departing from the strict order of merit as shown by the Examination and of giving preferences to candidates who, in the opinion of the Warden and Fellows, ought to be preferred.

(C) In the filling up of vacancies among War Scholars a vacancy shall be ignored if the Warden and Fellows shall have determined that the same shall not be filled up.

(3) The fees payable on behalf of War Scholars shall not be higher, and may, if the Warden and Fellows shall think fit, be lower, than the fees for the time being payable on behalf of other Scholars.

4. The Warden and Fellows shall have power from time to time to amend, alter or annul any Regulation which shall have been made in exercise of the powers of this Statute.

5. This Statute shall come into force immediately upon the approval thereof by His Majesty the King in Council.

In witness whereof the Warden and Fellows of Winchester College have caused the College Seal to be hereunto affixed this 11th day of July, 1942.

Sealed with the College Seal in pursuance of a resolution passed at a meeting of the Warden and Fellows of Winchester College, duly convened and held this 11th day of July, 1942, and in the presence of
