*St. James's Palace, S.W.1.
31st July, 1942.*

The KING has been graciously pleased to give orders for the following promotion in the Most Excellent Order of the British Empire, in recognition of distinguished service in the Mediterranean:—

ROYAL AIR FORCE.

The KING has been graciously pleased to approve the following awards in recognition of gallantry displayed in flying operations against the enemy:—

On 11th July, 1942, a force of bombers was detailed to make an attack on the submarine works at Danzig. The operation, which necessitated a high degree of skill and fortitude, was undertaken in extremely adverse weather. Despite this, the objective was reached by dusk, carefully identified and, in the face of strong opposition from the ground defences, subjected to a most determined attack. Bombs were released at varying heights, some as low as 1,000 feet. Many hits were obtained. Searchlight posts were also machine-gunned and many searchlights extinguished. The success achieved reflects the greatest credit on the following personnel who participated in various capacities as leaders and members of aircraft crews:—

Distinguished Service Order.

Squadron Leader Kennet Henry Penrith BEAUCHAMP, D.F.C. (40356), No. 207 Squadron.
