WAR DAMAGE ACT, 1941. SECTION 7.

The War Damage Commission hereby give notice that they have, for the purpose of giving effect to directions given by the Treasury under sub-section (1) of section 7 of the War Damage Act, 1941, and under the power conferred upon them by sub-section (2) of the said section, specified the following class of works for making good war damage:—

Works costing more than £100, to be executed for making good war damage sustained by any one hereditament situated within the following area:—

In the County Borough of Bath, an area comprising the following Wards: Kingsmead, St. James, Widcombe, Westmoreland, Oldfield, Twerton East, and that part of Lansdown Ward to the east of the centre line of the following streets, Marlborough Buildings, Cavendish Road and Winifred Lane.

The War Damage Commission also give notice that they, under the power conferred upon them by the aforementioned sub-section, impose on any person, who proposes to execute for making good war damage any works (other than temporary works) of the above specified class, an obligation to inform the War Damage Commission of the proposal, and thereafter to furnish to them such particulars of the proposed works as they may require in any particular case.

In this notice a "hereditament" means either a hereditament as appearing in the rating valuation list, or, in the case of a hereditament which is exempt from rating and does not appear in that list, the hereditament so exempted, provided that where there is more than one occupation of a single building, the hereditament shall be the building.

This notice should be read in conjunction with the notice which appeared in the London Gazette on the 9th June, 1942. The conjoint effect of these two notices is that within the Wards now specified, all works costing more than £100 or ten times the net annual value, whichever is the less, should be submitted to the Commission. In the remainder of the area of the County Borough of Bath, all works costing more than £1,000 or ten times the net annual value whichever is the less, should likewise be submitted to the Commission.
