*Air Ministry, 29th June, 1943.*

The KING has been graciously pleased to approve the following award in recognition of gallant conduct:—

*Military Medal.*

Aus.403475 Sergeant (now Pilot Officer) George Connor Watson O'NEIL, Royal Australian Air Force, No. 450 (R.A.A.F.) Squadron.

This airman effected a forced landing near Namman on 25th July, 1942, owing to engine failure, but succeeded in making his way back to the British lines. After making a low level attack on the enemy near Churgia on 13th January, 1943, he was compelled to land many miles behind the enemy's lines. Despite machine gun fire, he penetrated those lines and reached our forces 4 days later. Sergeant O'Neill displayed great courage and resource in evading capture and his report was useful to the military authorities.
