Ambailador, will leave Conflantinople about the fame time, that they may meet and be exchanged on the Frontiers in the ulual manner; And the Letters from Effick toy, Count Guido of Staremery, and leveral other German Officers, are come thither to be prefent at this Ceremony. They continue to work with great Application on the Fortilications of Arath, and Directions are given for the putting of good Garrilons in this, and the other Frontier Places in those Paris. There is a Report, that the Grand Signior has given to Count Teckeley a large Tract of Land near Widin on the Danube, and that he is coming to live there, which the Imperial Ministers complain of as being contrary to the Treaty of Carlowitz. The Imperial and to the Treaty of Carlowitz. The Imperial and Turk in Commissioners for fettling the Limits have renewed their Conferences near Petermaradin, and have already made a good Progrets in that Affair. The last Advices from Constantinople say, that the Turks having prolonged the Truce with the Muscovites, and being now in Peace with all their Neighbours, feem refolved to employ their Forces for suppressing the Rebellion in Asia, and are sending thither from Constantinope a good number of Froops, and a great quantity of Provisions and Ammunition; At the tanie time 'tis faid, the number of the Arabs who are in Arms encrease every day, and that they flatter themselves with the hopes of being Protected by the Sophy of Perfia, who tis probable may make use of this favourable Juncture to break with the Tarks.

favourable Juncture to break with the Tinks.

Dreften, Spr. 28. Mention Benchling, Great Chincellor of the Electrate of Saxony, is returned hither from Lipfick, where he has borrowed a confiderable Sum of Money for the King of Polind. The Prin e of Finfinkery, Governor of this Country, has been dusgereally ill, but is at prefer periectly recovered.
