*Air Ministry, 30th June, 1944.*

The KING has been graciously pleased to approve the following award in recognition of gallantry displayed in flying operations against the enemy:—

*Distinguished Flying Cross.*

Flying Officer Thomas Frederick Peter FRIZELL (Aus.402332), R.A.A.F.

This officer was the pilot of an aircraft which attacked a U-boat recently. The vessel was sighted fully surfaced a few miles ahead and Flying Officer Frizell made his attack with great skill. In spite of heavy anti-aircraft fire he straddled the submarine with a number of depth charges which caused its destruction. The result achieved reflects the greatest credit on the skill, gallantry and determination shown by this officer.
