#### ELECTRICITY COMMISSION.

##### ELECTRICITY (SUPPLY) ACTS, 1882 to 1936.

Notice is hereby given that in pursuance of Sub-section (2) of Section 3 of the Electricity (Supply) Act, 1935, the Metropolitan Electric Supply Company, Limited (hereinafter referred to as "the Company") have represented to the Electricity Commissioners that it would be in the general interest that the Commissioners should direct that as from 31st December, 1938, the charges and allowances to be included in the price to be charged for electricity under Section 12 of the Electricity (Supply) Act, 1926, by the Company shall be computed

(a) as if all such electric lines used by the Company (for whatever purpose) as are specified in that behalf in the direction were transmission lines; and

(b) except in so far as may be otherwise provided by the direction as if all those lines were used for all the purposes for which any of them were used:

The transmission lines which the Electricity Commissioners have been asked to specify in the above-mentioned direction are the electric transmission lines and cables of the Company designed to operate at not less than 20,000 volts and provided under the powers conferred by the Metropolitan Electric Supply Company (Various Powers) Act, 1905, or the Metropolitan Electric Supply Company Act, 1906 (including substation accommodation, transformers, switchgear and other apparatus used as part of those lines).

If any authorised undertakers and railway companies consider that they would be affected by any such direction as aforesaid and desire to make representations with respect to the matter, they should do so by letter sent by registered post and addressed to the Secretary, Electricity Commission, Savoy Court, London, W.C.2, within a period of thirty days from the date of this Notice.

A. E. Marson, Assistant Secretary.

Electricity Commission,

Savoy Court, Strand, London, W.C.2.
