CENTRAL CHANCERY OF THE ORDERS  
OF KNIGHTHOOD.

St. James's Palace, S.W.1.

17th April, 1945.

The KING has been graciously pleased to give orders for the following appointment to the Most Excellent Order of the British Empire:—

*To be an Additional Member of the Military Division of the said Most Excellent Order:*

Lieutenant Victor Campbell, R.N.V.R.

for great zeal and resourcefulness in carrying out salvage operations off the Normandy coast during the landing of Allied Forces in France.

DEPARTMENT OF NATIONAL DEFENCE.

Ottawa.

17th April, 1945.

The KING has been graciously pleased, on the advice of His Majesty's Canadian Ministers, to give orders for the following award:—

For bravery in saving life:

*The Albert Medal.*

Mr. Ernest Alfred Wooding, Warrant Electrician, R.C.N.V.R.

for outstanding courage and presence of mind at the time of an explosion in a Motor Launch in harbour. Though not on board at the time he rushed on deck when the explosion occurred and pulled two of the three men in the engine-room compartment to safety. Knowing that a large quantity of high octane gasoline was in the tanks of the boat his action showed complete disregard of himself. He did gallant rescue work of the men who were in the boat at the time of the explosion, and was certainly responsible for saving the lives of the two men from the engine-room at great personal risk.

ADMIRALTY.

Whitehall.

17th April, 1945.
