TOWN AND COUNTRY PLANNING ACT, 1944.

WEST HAM—SOUTH WEST NO. 1 AREA— COMPULSORY PURCHASE ORDER.

NOTICE is hereby given that the Council of the County Borough of West Ham in pursuance of their powers under Section 2 of the Town and Country Planning Act, 1944, on the Twentieth day of June, 1945, made an Order, which has been submitted for confirmation by the Minister of Town and Country Planning, authorising them to purchase compulsorily for the purposes of the redevelopment thereof as an area of extensive war damage the lands described in the Schedule hereto and directing that the provisions of the Act relating to expedited completion of purchase shall apply thereto.

A copy of the Order, and of the map referred to therein, have been deposited at the Offices of the Authority at the Town Hall, West Ham, E.15, and will be open for inspection without payment of fee at all reasonable hours.

Where the Minister confirms the Order, he may, if he is satisfied that it is requisite so to do, confirm the Order with a Direction that the provisions of the Act relating to expedited completion of purchase shall apply to the said lands.

Where the confirmed Order contains such a Direction the following provisions will operate:—

(a) The Lands Clauses Acts and the Acquisition of Land (Assessment of Compensation) Act, 1919, as amended and applied by the Town and Country Planning Act, 1944, will have effect as if a notice to treat such as is mentioned in Section 18 of the Lands Clauses Consolidation Act, 1845, had been served on every person on whom the Council could, under the terms of that Section, have served such a notice, namely, all persons interested in the said lands; all persons enabled by the Lands Clauses Acts to sell and convey or release any of the said lands; or such of the above persons as would after diligent enquiry be known to the Council, and the date on which such notice to treat will be deemed to have been served will be the date on which the Order is registered in the Register of Local Land Charges kept in respect of the area in which the lands are situated. Such notice to treat will not be deemed to have been served on any person in respect of an interest which is a tenancy for a year, or from year to year, or a less interest.

(b) The Council of the County Borough of West Ham may, at any time after the expiration of one month from the date of first publication of the notice of confirmation of the Order and subject to the said tenancies, execute a Declaration:

(i) of their intention to enter on the whole or part of the lands to which the Order relates and take possession thereof at the expiration of a period specified in such declaration, not being less than fourteen days from the completion of the service of a notice to that effect on occupiers and on persons entitled to claim compensation, who have given information to the Council of the nature of the land in respect of which they are entitled to claim compensation and of their interest therein; and

(ii) that the lands will vest in the Council at the expiration of the period specified in such declaration.

Any objection to the Order must be made in writing stating the grounds of the objection, and addressed to the Minister of Town and Country Planning, 32, St. James's Square, London, S.W.1, before the Twenty-second day of August, 1945.

The Act provides that if no objection is duly made, or if all objections so made are withdrawn, or if the Minister decides to make a modification agreed to by the person making the objection as meeting the objection, or where the Minister is satisfied, after considering the grounds of the objection and any further statement relating to the objection as the Minister may require an objector to furnish, that the objection relates to a matter which can be dealt with by an arbitrator by whom compensation is to be assessed, or in the case of an objection to an Order authorising a compulsory purchase of land to which an Order under Section 1 of the Act is in force, that the objection is made on the grounds that the purchase is not necessary or inexpedient, the Minister may, if he thinks fit, confirm the Order, with or without any modification except (unless all persons interested consent) a modification extending the Order to any land not designated by the Order as submitted; but in any other case he shall, before deciding to confirm the Order, afford the person making an objection an opportunity of appearing before and being heard by a person appointed for the purpose by the Minister.
