3rd August, 1945.*

The KING has been pleased by Warrant under His Sign Manual dated the 1st day of August, 1945, to appoint Tristram de la Poer Beresford, Esquire, K.C., to be Chairman of the West Kent Court of Quarter Sessions in accordance with the provisions of the Administration of Justice (Miscellaneous Provisions) Act, 1938.

TREASURY MINUTE DATED 1st AUGUST, 1945.

*Prescribing the terms upon which repayments of loans made from the Local Loans Fund on or after 1st August, 1945, may be allowed in advance of the due date.*

1. My Lords, having regard to the provisions of the Local Authorities Loans Act 1945, have had under consideration the terms upon which premature repayment may be allowed of loans advanced to local authorities and others on or after 1st August 1945.

2. While My Lords attach importance to the maintenance of the general principle that borrowers repaying before due date should repay an amount sufficient to liquidate the liability incurred by the Local Loans Fund in respect of the advance, it is evident that in the changed circumstances which will result from the operation of the Local Authorities Loans Act 1945 the conditions laid down by Treasury Minute of 5th October 1933 would not be appropriate to premature repayment of loans advanced on or after the 1st August 1945.

3. My Lords have decided, therefore, that until further notice applications for repaying in advance of due date loans advanced on or after 1st August 1945 may only be complied with provided:—

(a) That at least a month's notice of the intention to repay is given to the Public Works Loan Commissioners.

(b) That the borrower repays a sum equal to the present value of the whole or any proportionate part of the annuity payments (or payments of equal instalments of principal with diminishing interest) still remaining to be made to the Public Works Loan Commissioners under the mortgage with those Commissioners, such present value being calculated by discounting the annuity payments (or other annual or half-yearly payments) at a rate equal to the rate of interest at which loans from the Local Loans Fund for a period similar to that of the original loan are authorised to be made on the day 7 days before the date at which the notice of repayment expires and the repayment is to be made: provided however that the minimum sum to be repaid in respect of each £100 of principal outstanding shall be £100 cash.

My Lords authorise and require that, unless and until They shall otherwise direct, and subject to the exceptions provided for below, the cash sum to be lodged in respect of the repayment in advance of loans made from the Local Loans Fund shall be calculated in accordance with the terms of this Minute.

4. Should any question arise in a particular case as to the correct amount of the discounted value of the annuity (or other) repayments which it is desired

to anticipate under the terms of this Minute, the matter shall be referred to Their Lordships whose decision shall be final.

5. As an exception to the above principle, repayment in respect of unexpended balances of loans already advanced will, as hitherto, be accepted (subject to due notice) on the basis of £100 for each £100 cash advanced in any case where the Public Works Loan Commissioners are satisfied that the balance is unexpended either because a scheme is less costly than anticipated or because it has been definitely reduced in extent.

6. My Lords further direct that (subject to due notice)

(a) repayment in advance of the due date shall be accepted on the basis of £100 for each £100 cash advanced

(i) of loans advanced to a local authority under Part V. of the Housing Act 1936 or for the purposes of Part III of the Housing (Scotland) Act 1925 in connection with the erection of structures made available under Section 1 of the Housing (Temporary Accommodation) Act 1944 where repayment arises from the sale of land no longer required owing to the dismantling of such structures;

(2) of loans advanced to a local authority to the extent that repayment represents repayments to the local authority by borrowers of loans advanced by that authority under the Small Dwellings (Acquisition) Acts or the Small Dwellings Acquisition (Scotland) Acts;

(b) repayment in advance of the due date of loans made under Section 91 of the Housing Act, 1936 or Section 75 of the Housing (Scotland) Act 1925 and other similar enactments shall be accepted in all cases subject to the payment of one-quarter only of the premium otherwise chargeable provided that, in cases where exaction of even this reduced amount would entail real hardship, such further relief may be granted as the Treasury may determine.

7. Nothing in this Minute shall be construed as applying to loans advanced from the Local Loans Fund before 1st August 1945, premature repayment of which will be accepted only on the terms laid down by Treasury Minute of 5th October 1933 as modified by subsequent directions.
