#### THE RURAL DISTRICT COUNCIL OF HATFIELD.

##### TOWN AND COUNTRY PLANNING (GENERAL INTERIM DEVELOPMENT) ORDER, 1945.

NOTICE is hereby given that the Council of the Rural District of Hatfield being the interim development authority for the said Rural District of Hatfield, in pursuance of the powers conferred upon them by Article 5 of the Town and Country Planning (General Interim Development) Order, 1945, made, on the 29th day of November, 1945, a Direction that the provisions of paragraph (1) of Article 4 of the said Order shall not apply to development of the description set out in the Schedule to such Direction on the land shown edged and coloured blue on the plans attached to such Direction.

And notice also is hereby given that the said Direction was approved and confirmed by the Minister of Town and Country Planning on the 4th day of January, 1946, and a copy of such Direction with Maps annexed thereto may be inspected at the Rural District Council Offices, 16, St. Albans Road, Hatfield, at all reasonable hours.

The effect of the Direction is to exclude the following Class of development from permitted development specified in the said Order within the Hatfield Rural District, namely the carrying out by mining undertakers, on land comprised in their undertaking, of any development required for the purposes of their undertaking being development comprised within Class V referred to in Article 4 of the said Order, and not being development of any other Class except:—

(a) the winning and working of sand, gravel and chalk during a period of twelve months from the date hereof, on land (other than land showing hatched blue on the plans attached hereto) which adjoins land used at the date hereof for the same purpose, where, in relation to that use, such winning and working forms a continuous operation;

(b) the carrying out in case of emergency of any development of that Class;

(c) the extension, alteration and maintenance of plant or other structures or erections required for the winning, working, treatment or disposal of minerals;

(d) the maintenance of any other buildings used for those purposes;

(e) the winning and working of minerals by underground working; and

(f) the deposit of waste materials or refuse in connection with the winning or working of minerals on any land comprised in a site which was used for that purpose on the 1st day of May, 1945, whether or not the superficial area of the deposit is thereby extended.

Dated this 14th day of January, 1946.
