THE RURAL DISTRICT OF CIRENCESTER.

TOWN AND COUNTRY PLANNING (GENERAL INTERIM DEVELOPMENT) ORDER, 1945.

NOTICE is hereby given that the Council of the Rural District of Cirencester as the Interim Development Authority for the said Rural District has in pursuance of the powers conferred by Article 5 of the above mentioned Order and with the consent of the Minister of Town and Country Planning made a Direction that the provisions of paragraph (1) of Article 4 of the said Order shall not comply to development of the description set out in the Schedule hereto on any land in the parishes of Ampney Saint Peter, Down Ampney, Driffeld, Fairford, Kempford, Lechlade, Maiseyhampton, Poole Keynes, Poulton, Siddington, Somerford Keynes and South Cerney. The effect of the said Direction is that any such development shall not be undertaken unless permission therefor is granted on application made under the said Order.

SCHEDULE.

The carrying out by mining undertakers, on land comprised in their undertaking, of any development required for the purpose of their undertaking, being

development comprised within Class V referred to in Article 4 of the said Order and not being development of any other Class, except:—

(a) the winning and working of gravel during a period of twelve months from the date hereof, on land which adjoins land used at the date hereof for the same purpose, where, in relation to that use, such winning and working forms a continuous operation;

(b) the carrying out in case of emergency of any development of that Class;

(c) the extension, alterations and maintenance of plant or other structures or erections required for the winning, working, treatment or disposal of minerals;

(d) the maintenance of any other buildings used for those purposes;

(e) the winning and working of minerals by underground working, and

(f) the deposit of waste materials or refuse in connection with the winning or working of minerals on any land comprised in a site which was used for that purpose at the commencement of this Order, whether or not the superficial area of the deposit is thereby extended.

A copy of the said Direction and of a map defining the area to which it relates may be seen at all reasonable hours at the office of the Clerk to the Rural District Council at the Council Offices, 5, Dyer Street, Cirencester.

Dated this 17th day of January, 1946.

J. A. HALL, Clerk of the Council.

THE URBAN DISTRICT COUNCIL OF KENILWORTH.

TOWN AND COUNTRY PLANNING (GENERAL INTERIM DEVELOPMENT) ORDER, 1945.

NOTICE is hereby given that the Minister of Town and Country Planning in pursuance of the powers reserved to him by Article 5 of the above Order, on the 14th day of December, 1945, consented to a Direction made by the Urban District Council of Kenilworth as the interim development authority, for the said Urban District, to control any development of the descriptions set out in the Schedule hereto, which should not be undertaken on the said land, as shown on the map referred to, unless permission therefor is granted on application made under the Town and Country Planning (General Interim Development) Order, 1945.

A copy of the Direction and of the Map have been deposited at the Clerk's Office, Council House, Upper Rosemary Hill, Kenilworth, and will be open for inspection by all persons interested without payment of fee between the hours of 9 a.m. to 1 p.m. and 2 p.m. to 5 p.m. except Saturday, which will be 9 a.m. to 12 noon.

SCHEDULE.

(a) The rebuilding, restoration or replacement of buildings and plant which have sustained war damage, except operations involving an increase in the cubic content of any building as it existed immediately before the occurrence of the damage, or a material alteration of the exterior of any such building being development comprised within Class III referred to in Article 4 of the said Order and not being development of any other Class, where the cost of such work within any period of twelve months exceeds the sum of one hundred pounds or one-quarter of the gross value of the building for rating purposes, whichever is greater.

(b) The carrying out of alterations to existing buildings and of operations required for the maintenance of existing buildings except alterations affecting the exterior of or required in connection with an alteration of the use of any building being development comprised within Class IV referred to in Article 4 of the said Order and not being development of any other Class, where the cost of such works within a period of twelve months exceeds the sum of one hundred pounds or one-quarter of the gross value of the building for rating purposes, whichever is greater.

Provided that no such direction shall have effect in relation to the following development, that is to say:—

(a) in the case of development of Class III, the restoration or replacement of plant, the carrying out of operations immediately necessary in consequence of war damage for avoiding danger to
