The KING has been graciously pleased to approve the following award.

*Distinguished Service Order.*

Acting Wing Commander Thomas Stuart TULL, O.B.E. (70686) Royal Air Force Volunteer Reserve.

As a member of No. 5 Repatriated Allied Prisoners of War and Internees contact team, Wing Commander Tull parachuted into Java in September, 1945. Before the arrival of British troops he made contact with many R.A.P.W.I. camps and, on his own initiative, organised their well-being and arranged hospitals for the sick. This was done at considerable risk to his life from the suspicious and unfriendly population. Later on, when disturbances broke out, he organised the recapture of Semarang by the Japanese, thus saving hundreds of R.A.P.W.I. lives. Shortly after the arrival of British troops, Wing Commander Tull, whilst in Ambarawa which held 9,000 R.A.P.W.I., arranged for the reception of 2,000 more from Magelang when fighting broke out there. Ambarawa was then besieged and the R.A.P.W.I. camps were frequently under shell fire. Wing Commander Tull, however, went about his duties quite regardless of his own safety, visiting the shelled areas and inspiring the many women and children with confidence and hope. His courage, endurance and steadfastness over a long and trying period have been beyond all praise.
