TOWN AND COUNTRY PLANNING ACT, 1944.

THE SOUTHAMPTON (ABOVE BAR STREET No. 1)

COMPULSORY PURCHASE ORDER, 1946.

NOTICE is hereby given that the Mayor Alderman and Burgesses of the Borough of Southampton acting by the Southampton Town Council (hereinafter referred to as "the Council") in pursuance of their powers under subsection (2) of section 2 of the Town and Country Planning Act, 1944, on the 17th day of April, 1946, made an Order, which has been submitted for confirmation by the Minister of Town and Country Planning, authorising them to purchase compulsorily for the purpose, in redeveloping a certain area of extensive war damage in the borough of Southampton aforesaid, of dealing satisfactorily with the war damage the lands in the said area of extensive war damage which are situate between the Civic Centre and East Park and are described in the Schedule hereto, and directing that the provisions of the said Act relating to expedited completion of purchase shall apply to the acquisition of the greater part of such lands.

A copy of the said Order, and of the map referred to therein, have been deposited in my office at the Civic Centre in the said borough and will be open for inspection there without payment of fee on every weekday between the hours of 10 and 12 in the morning and (except on Saturdays) 2 and 4 in the afternoon.

If the Minister confirms the said Order he may, if he is satisfied that it is requisite so to do, confirm the said Order with a direction that the provisions of the said Act relating to expedited completion of purchase shall apply to the said lands or any part thereof.

Where the confirmed Order contains such a direction the following provisions will operate as regards any land to which the direction refers:—

(a) The Lands Clauses Acts and the Acquisition of Land (Assessment of Compensation) Act, 1919, as amended and applied by the Town and Country Planning Act, 1944, will have effect as if a notice to treat such as is mentioned in section 18 of the Lands Clauses Consolidation Act, 1845, had, on the date on which the confirmed Order is registered in the Register of Local Land Charges kept in

respect of the said borough, been served on every person on whom the Council could, under the terms of that section, have served such a notice, namely, all persons interested in the land; all persons enabled by the Lands Clauses Acts to sell and convey or release any of the land; or such of the above persons as would after diligent enquiry be known to the Council. No such notice to treat will be deemed to have been served on any person in respect of an interest in the land which is a tenancy for a year, or from year to year, or a less interest.

(b) The Council may, at any time after the expiration of fourteen days from the date of first publication of the notice of confirmation of the said Order and subject to the said tenancies, execute a declaration:

(i) that it is their intention to enter on the whole or part of the lands to which the confirmed Order relates and take possession thereof at the expiration of such period (not being less than fourteen days from the completion of the service of a notice to that effect on occupiers, and on persons entitled to claim compensation who have given information to the Council of the nature of the land in respect of which they are entitled to claim compensation and of their interest therein) as is specified in that behalf in such declaration, and

(ii) that the lands to which the said declaration refers will vest in the Council at the expiration of the said period specified in the said declaration.

Any objection to the said Order must be made in writing stating the grounds of the objection, and addressed to the Minister of Town and Country Planning, 32, St. James's Square, London, S.W. 1, before the 17th day of July, 1946.

The Minister is not, in all cases, required to arrange for objections to be heard by a person appointed by him for that purpose. It is important, therefore, that an objection should include a full statement in writing of the grounds on which the objection is made as the objector may have no further opportunity to make such a statement.

Any owner or occupier of any land to which the said Order relates may send to the Council, at the address given below, a request in writing to serve him (if and when such shall be the case) with a notice stating that the said Order has been confirmed, and naming a place where a copy of the said Order, and of the map and of any descriptive matter annexed thereto, may be seen. Any such request should specify the full name and postal address, and also contain a statement of the interest in the land, of the owner or occupier, and should include particulars sufficient to enable the Council to identify the extent and boundaries of the land.

SCHEDULE.
