The Civil Service Commissioners hereby give notice that the following regulations are published with the approval of the Lords Commissioners of His Majesty's Treasury, viz.:—

TEMPORARY (RECONSTRUCTION) REGULATIONS FOR THE APPOINTMENT OF DRIVING AND TRAFFIC EXAMINERS IN THE MINISTRY OF TRANSPORT.

1. Both men and women may compete under these Regulations.

2. In order to be eligible, a candidate must have been born on or after the 2nd August, 1905, and on or before the 1st August, 1916.

3. Every candidate must be either

(a) a natural-born British subject

(i) having at least one parent who is or was at the time of death a British subject; or

(ii) of any other parentage, provided that he or she has resided in His Majesty's dominion and/or been employed elsewhere in the service of the Crown for at least five years out of the last eight years preceding the date of his or her appointment; or

(b) a naturalized British subject who has resided in His Majesty's dominions and/or been employed elsewhere in the service of the Crown for at least five years out of the last eight years preceding the date of his or her appointment; or

(c) A British subject who, although not fulfilling the requirements of sub-paragraph (a) or sub-paragraph (b), satisfies the Commissioners that he or she is so closely connected with His Majesty's dominions either by ancestry, upbringing or residence, or by reason of national service, that an exception may properly be made in his or her favour.

4. Candidates must possess a wide experience of driving over the past ten years and have an unblemished motoring record. They should know the Highway Code in detail and have a general acquaintance with Road Transport law. Experience in driving tuition, conducting interviews, or writing concise and accurate reports, would be an additional advantage.

5. Successful candidates must satisfy the Commissioners as to their health and character.

The Commissioners reserve the right to give such preference to disabled persons or particular classes of disabled persons as may be necessary in order to give effect to any general policy regarding the employment of such persons which may be adopted by His Majesty's Government, provided that the disability is not of a nature to interfere with the discharge of the duties of a Driving and Traffic Examiner for which a high physical standard is normally required.

6. No person who is undergoing a course of study with the aid of a grant from public funds shall be eligible to compete under these Regulations before the completion of the course, unless he or she has previously obtained permission to do so from the authority which administers the grant.

Persons upon whose training for the occupation of teacher public money has been spent cannot be appointed until the consent of the appropriate central education authority (that is, the Ministry of Education, the Scottish Education Department, or the Ministry of Education for Northern Ireland, as the case may be) has been notified to the Commissioners.

7. Every candidate must apply on the appropriate form within the time and in the manner of which notice is given by the Commissioners.

8. Candidates who appear to have the requisite qualifications and to be best fitted for appointment will be invited to appear before a Selection Board constituted by the Civil Service Commissioners in conjunction with the Ministry. Candidates recommended for appointment by the Selection Board will not be declared successful unless they give proof of driving competence by passing a driving test, which will be arranged as nearly as possible at the same time as the Selection Board. The Commissioners may also, at their discretion, require a candidate to take a written test so that they may be satisfied of his educational standard.

9. Of the candidates next in order of merit to those declared successful at any one Selection Board, a certain number, at the discretion of the Commissioners, may be classified as reserve candidates and considered for appointment in conjunction with the results of a later Board.

10. Candidates selected for appointment will be required to pay a fee of 7s. 6d. before the issue of a certificate of qualification for appointment.

11. Any attempt on the part of candidates to enlist support for their applications through Members of Parliament or other influential persons, except as referees to be named by them in their application form, will disqualify them for appointment. The Selection Board will disregard recommendations from persons who are not personally acquainted with the candidate's work, whether at school, in the Forces or otherwise.
