

of a candidate who appears to them to be exceptionally well fitted by reason of suitable works or other special practical experience.

(2) (a) A person other than a candidate accepted under the proviso to Regulation 4 (1) who has not spent at an institution of University rank at least the necessary period for a war-time degree but is prepared to do so as soon as practicable, may submit a provisional application (thereby becoming a "provisional applicant") and may be accepted by the Commissioners as such if they are satisfied that his or her education has been such as to justify the expectation that he or she will obtain a degree on completion of the course.

(b) A provisional applicant will not become eligible to compete, and will not be required to pay an applicant's fee until he or she is able to fulfil the requirements of Regulation 4 (1).

5. Candidates must satisfy the Commissioners as to their health and character.

6. No person who is undergoing a course of study with the aid of a grant from public funds shall be eligible to compete under these Regulations before the completion of the course, unless he or she has previously obtained permission to do so from the authority which administers the grant.

7. Every candidate must apply on the appropriate form within the time and in the manner of which notice is given by the Commissioners.

8. Candidates who are recommended by the Ministry of Labour and National Service and are accepted by the Civil Service Commissioners as possessing the requisite qualifications will be summoned to an interview before a Selection Board, who will recommend to the Commissioners for appointment the candidates who appear to them to possess the highest qualifications. The Selection Board may also recommend that a certain number of candidates shall be classified as reserve candidates and considered by the Commissioners for appointment in conjunction with the results of a later Board. The decision of the Commissioners will be final. The Selection Board will take into consideration a candidate's record of experience and education, any recommendations they may receive from persons named by candidates as having direct knowledge of their work in the past, and the personal qualities of the candidates as shown at the interview; and on their estimation of the above evidence they will frame their decision.

9. Persons upon whose training for the occupation of teacher public money has been spent cannot be appointed until the consent of the appropriate central education authority (e.g., the Ministry of Education, the Scottish Education Department, the Ministry of Education for Northern Ireland) has been notified to the Commissioners.

10. Candidates shall pay a fee of 10s. on application.

11. Any attempt on the part of candidates to enlist support for their applications through Members of Parliament or other influential persons, except as referees to be named by them in their application form, will disqualify them for appointment. The Selection Board will disregard recommendations from persons who are not personally acquainted with the candidate's work, whether at school, in the Forces or otherwise.
