WAGES COUNCILS ACT, 1945.

BASKET-MAKING INDUSTRY COMMISSION OF INQUIRY.

Notice by the Commission of Inquiry appointed by the Minister of Labour and National Service to inquire into and report on a joint application made under Section 2 (1) of the Wages Councils Act, 1945, by the Employers' Federation of Cane and Willow Workers' Associations of Great Britain and Northern Ireland Incorporated and the National Union of Basket, Cane, Wicker and Fibre Furniture

Makers of Great Britain and Ireland for the establishment of a Wages Council for certain workers and their employers.

The Minister of Labour and National Service, having appointed the Basket-Making Industry Commission of Inquiry in accordance with the Second Schedule to the Wages Councils Act, 1945, has referred to it a joint application made to him by the Employers' Federation of Cane and Willow Workers' Associations of Great Britain and Northern Ireland Incorporated and the National Union of Basket, Cane, Wicker and Fibre Furniture Makers of Great Britain and Ireland, under Section 2 of the Act, for the establishment of a Wages Council in respect of the workers specified in the Schedule to this Notice and their employers, on the ground that the existing machinery for the settlement of the remuneration and conditions of service for the said workers is likely to cease to be adequate for that purpose.

Under Section 4 of the Act, it is the duty of the Commission to inquire into and report to the Minister on the said application, to consider any other question or matter which, in its opinion, is relevant thereto, and in particular to consider whether there are any other workers (being workers who, in its opinion, are engaged in work which is complementary, subsidiary or closely allied to the work performed by the workers specified in the Schedule hereto or any of them) whose position should be dealt with together with that of the workers, or some of the workers, specified in the Schedule hereto;

In considering whether any machinery is, or is likely to remain, adequate for regulating the remuneration and conditions of employment for any workers, the Commission is required by Section 4 of the Act to consider not only what matters are capable of being dealt with by that machinery, but also to what extent those matters are covered by agreements or awards arrived at or given thereunder, and to what extent the practice is, or is likely to be, in accordance with those agreements or awards;

Accordingly the Commission hereby gives notice, pursuant to Section 9 of the Act, that it will consider representations with respect to the foregoing matters made to it in writing at the offices of the Commission at 1, Bryanston Square, London, W.1., on or before the first day of March, 1948.

R. Turner, Secretary to the Commission.

Civil Service Commission,

16th January, 1948.

The Civil Service Commissioners hereby give notice that the following Supplementary Regulations are published with the approval of The Lords Commissioners of His Majesty's Treasury, viz.:—
SUPPLEMENTARY RECONSTRUCTION COMPETITION FOR APPOINTMENT OF MEDICAL OFFICERS IN GOVERNMENT DEPARTMENTS.

1. Both men and women may compete under these Regulations.

2. Every candidate must have attained the age of 28 by 1st January 1948. The Commissioners have not specified an upper age limit for this competition. In general, however, Government Departments require a reasonable period of service from persons newly appointed to the Civil Service; and accordingly the Commissioners reserve the right to give weight to this factor in considering candidates for these posts who are over 50 years of age.

3. Candidates must be British subjects. They must also satisfy one of the following conditions:—
 (a) If natural-born British subjects, they must either:—

(i) have at least one parent who is, or was at death, a British subject; or

(ii) have resided in His Majesty's dominions and/or been employed elsewhere in the service of the Crown for at least five years out of the last eight years preceding the date of their appointment.

(b) If naturalized British subjects, they must have resided in His Majesty's dominions and/or been employed elsewhere in the service of the Crown for at least five years out of the last eight years preceding the date of their appointment.

(c) If not qualified under (a) or (b) of this paragraph, they must satisfy the Commissioners that they are so closely connected with His Majesty's dominions either by ancestry, upbringing or residence, or by reason of national service, that an exception may properly be made in their favour.

Provided that a candidate will not be eligible for appointment to the Ministry of Supply, unless he or she is a natural born British subject and born within the United Kingdom or in one of the self-governing Dominions of parents also born within the United Kingdom or in one of the self-governing Dominions, except when the circumstances are such as to justify a departure from the general rule, in which case, provided the candidate satisfies the conditions prescribed by the preceding paragraphs, he or she may be admitted to appointment or competition by special permission of the Minister of Supply.

4. Every candidate must be a fully qualified and registered medical practitioner. Particular qualifications noted below are needed for posts in the main Departments in which the present vacancies occur, but all candidates should state in their applications the nature of any medical work in which they have special qualifications or experience.

Board of Control.—It is not regarded as essential that candidates should have had experience in the Institutional care and treatment of mental defectives, but they should after qualifying as medical practitioners, have had some experience in general medicine.

Ministry of Civil Aviation.—Candidates must be versed in and have experience of the methods of medical examination to determine fitness for duty as an operating member of the crew of an aircraft. Experience in the making of assessments of such fitness would be an advantage. They should have a good knowledge of general aviation medicine and have experience of its administrative aspects.

Ministry of Pensions.—Candidates should have held House appointments in general (preferably teaching) hospitals and possess wide clinical experience.

Ministry of Supply.—Experience of industrial medicine or analogous work in the Services while not absolutely essential would be an advantage.

Prison Commission.—Candidates should have had psychiatric experience and have held House appointments.

5. Successful candidates must satisfy the Commissioners as to their health and character.

6. No person who is undergoing a course of study with the aid of a grant from public funds shall be eligible to compete before the completion of the course, unless he or she has previously obtained permission to do so from the authority which administers the grant.

7. Every candidate must apply on the appropriate form within the time and in the manner of which notice is given by the Commissioners.

8. The Commissioners may summon to appear before a Selection Board all who are found to be prima facie eligible, or may, if they see fit, summon only those whose qualifications and experience are considered to be specially suitable. The Board will take into consideration the candidates' record of experience and education, with due regard to service in the Forces, any recommendation from persons named by the candidate as having direct knowledge of their work in the past, and the personal qualities of the candidates as shown at the interview; and on their estimation of all the above facts they will frame their recommendations. The decision of the Commissioners will be final.

9. It will rest with the Commissioners to determine the Department to which each successful candidate shall be assigned. In making the assignments the Commissioners will be guided by the requirements of the public service. Subject to this condition, the

wishes of candidates will, where possible, be respected.

10. Any attempt on the part of candidates to enlist support for their applications through Members of Parliament or other influential persons, except as referees to be named by them in their application forms, will disqualify them for appointment. The Interviewing Board will disregard recommendations from persons who are not personally acquainted with the candidate's work, whether at school, at the University, in the Forces, or otherwise.

11. A successful candidate will be required to pay a fee of £1 before the issue of a certificate of qualification for appointment.
