CENTRAL CHANCERY OF THE ORDERS OF KNIGHTHOOD

St James's Palace, S W 1

6th February, 1948

The KING has been graciously pleased to approve the award of the British Empire Medal (Military Division) to —

1022908 Sergeant James Joseph DUFFY, Royal Air Force Volunteer Reserve, 61 Maintenance Unit, Maintenance Command.

On the 23rd August, 1947, a Tudor II aircraft was carrying out a trial flight when it crashed in a pond near Poynton Sergeant Duffy, who had observed that the aircraft was in difficulties, was among the first to reach the scene of the accident. He noticed petrol and oil escaping but without hesitation plunged into the water, which was five feet deep, to rescue the half-submerged body of Mr. Talbot, Jnr , a Scientific Officer on the staff of A. V Roe, who had been a passenger in the aircraft. Under-water obstructions and a tangled mass of weeds and mud close to the bank made it extremely difficult for Sergeant Duffy to reach the injured man, but he finally succeeded in scrambling over the wreckage. He supported Mr. Talbot in the water and instructed persons on the bank to obtain rope or other means of assistance. He was joined later by Mr. Talbot, Snr , and together they succeeded in placing Mr Talbot, Jnr., who was seriously injured, on a ladder (using it as a stretcher) and so conveyed him to the bank Sergeant Duffy then immediately renewed his efforts to save others and did not abandon his attempts until it was obvious that nothing more could be done Sergeant Duffy, who was in pain from burns caused by acid and petrol on the water, showed great courage, and it was undoubtedly due to his initiative and efforts that the life of Mr. Talbot was saved.

Where the Minister confirms the Order, he may, if he is satisfied that it is requisite so to do, confirm the Order with a direction that the provisions of the Act relating to expedited completion of purchase shall apply to the said lands.

Where the confirmed Order contains such a direction the following provisions will operate:—

(*a*) The Lands Clauses Acts and the Acquisition of Land (Assessment of Compensation) Act, 1919, as amended and applied by the Town and Country Planning Act, 1944, will have effect as if a Notice to Treat such as is mentioned in Section 18 of the Lands Clauses Consolidation Act, 1845, had been served on every person on whom the Council could, under the terms of that section, have served such a notice, namely, all persons interested in the said lands; all persons enabled by the Lands Clauses Acts to sell and convey or release any of the said lands; or such of the above persons as would after diligent enquiry be known to the Council, and the date on which such Notice to Treat will be deemed to have been served will be the date on which the Order is registered in the Register of Local Land Charges kept in respect of the area in which the lands are situated. Such Notice to Treat will not be deemed to have been served on any person in respect of an interest which is a tenancy for a year, or from year to year, or a less interest

(*b*) The Authority may, at any time after the expiration of Seven days from the date of the first publication of the notice of confirmation of the Order and subject to the said tenancies, execute a Declaration;

(i) of their intention to enter on the whole or part of the lands to which the Order relates and take possession thereof at the expiration of a period specified in such declaration, not being less than fourteen days from the completion of the service of a notice to that effect on occupiers, and on persons entitled to claim compensation who have given information to the Authority of the nature of the land in respect of which they are entitled to claim compensation and of their interest therein, and

(ii) that the lands will vest in the Authority at the expiration of the period specified in such declaration

Any objection to the Order must be made in writing stating the grounds of the objection and addressed to the Minister of Town and Country Planning, 32 St James's Square, London, S W 1, before the 4th day of March, 1948.

The Minister is not, in all cases, required to arrange for objections to be heard by a person appointed by him for that purpose It is important, therefore, that an objection should include a full statement in writing of the grounds on which the objection is made as the objector may have no further opportunity to make such a statement

Any owner or occupier of any land to which the Order relates may send to the Authority at the address below a request in writing to serve him with a notice that the Order has been confirmed, and naming a place where a copy of the Order and of the map and of any descriptive matter annexed thereto may be seen.

Such request should contain a statement of the name, postal address and the interest in the land of the owner or occupier, and particulars sufficient to enable the Local Planning or Highway Authority to identify the extent and boundaries of the land. The expression "owner" for this purpose includes any freeholder, leaseholder, tenant or mortgagee

Forms on which such a statement should be made can be obtained free of charge from the address below or from the City Replanning Office, 18 Southernhay West, Exeter Separate forms should be used for each property
