FRIDAY, 26 MARCH, 1948

At the Court at *Buckingham Palace*, the 11th day of *March*, 1948

PRESENT,

The KING's Most Excellent Majesty in Council.

Whereas by section three of the Colonial Development Act, 1929 (20 & 21 Geo. 5 c. 5), it is amongst other things provided that His Majesty may, if a representation is made to him by the Treasury and the Secretary of State that it is desirable so to do, make an Order in Council directing that the Colonial Stock Acts, 1877 to 1900 (40 & 41 Vict c. 59, 55 & 56 Vict c. 35; and 63 & 64 Vict c. 62), shall be extended, subject to such modifications and to such conditions as may appear expedient to His Majesty, so as to apply to stock issued after the passing of that Act and forming part of the public debt of any territory specified in the Order in respect of which a mandate on behalf of the League of Nations has been accepted by His Majesty and is being exercised by His Majesty's Government in the United Kingdom;

And whereas by section one of the Mandated and Trust Territories Act, 1947 (11 & 12 Geo 6 c. 8), it is provided that the operation of an enactment in relation to any territory shall, while the territory is a trust territory under the sole administration of any government, be the same as if a mandate of the League of Nations in respect of the territory were being exercised by that government,

And whereas Tanganyika is a trust territory under the sole administration of His Majesty's Government in the United Kingdom,

And whereas a representation has been made to His Majesty by the Treasury and the Secretary of State that it is desirable that an Order should be made directing that the Colonial Stock Acts, 1877 to 1900, shall, subject to the modifications for which provision is made by this Order, be extended so as to apply to stock issued after the passing of the said Act and forming part of the public debt of Tanganyika as if it were a colony:

Now, therefore, His Majesty, in pursuance of the powers vested in him by the said section three of the Colonial Development Act, 1929, and of all other powers enabling Him in that behalf, is pleased, by and with the advice of His Privy Council, to order, and it is hereby ordered, as follows—

1 The Colonial Stock Acts, 1877 to 1900, shall, subject to the modifications set out in the next succeeding paragraph of this Order, be extended so as to apply to stock issued after the passing of the Colonial Development Act, 1929, and forming part of the public debt of Tanganyika as if it were a colony.

2 For the purposes of section two of the Colonial Stock Act, 1900 (63 & 64 Vict c. 62), the following conditions shall have effect in relation to stock to which the Colonial Stock Acts, 1877 to 1900, apply

by virtue of this Order as if they had been prescribed by the Treasury under that section:—

(a) Provision must be made by Tanganyika legislation for the payment out of the revenues of Tanganyika of any sums which may become payable to stockholders under any judgment, decree, rule or order of a court in the United Kingdom.

(b) The Government of Tanganyika must satisfy the Treasury that adequate funds, as and when required, will be made available in the United Kingdom to meet any such judgment, decree, rule or order:

(c) The Government of Tanganyika must place on record a formal expression of their opinion that any Tanganyika legislation which appears to His Majesty's Government in the United Kingdom to alter any of the provisions affecting the stock to the injury of the stockholders or to involve a departure from the original contract in regard to the stock, would properly be disallowed, and that no legislation, whereby the control of the Secretary of State over the finances of Tanganyika is impaired, ought to be passed unless and until the Treasury are satisfied that satisfactory arrangements have been made for safeguarding the interests of the stockholders

3 This Order may be cited as the Colonial Stock Acts Extension (Tanganyika) Order, 1948

4 Candidates must have passed the Final Examination of the Royal Institution of Chartered Surveyors or of the Chartered Institute of Auctioneers and Estate Agents or of the Land Agents' Society or hold a University Degree (e.g BSc (Estate Management) London or B.A. (Estate Management) Cambridge) which gives exemption from the examinations of any one of these bodies. Candidates who have attained Corporate Membership of one of these bodies without examination may submit applications which will be considered by the Commissioners. Candidates who are sitting their final examination in March, 1948, may submit provisional applications on the understanding that they will be declared ineligible if they fail to pass the examination.

Candidates must have had at least four years professional experience in —

(a) the office of an F S I, F A I, F L A S., or member of the Faculty of Surveyors in Scotland in

professional practice, or in Government or municipal service; or

(b) the office of any other surveyor, estate agent, or land agent which in the opinion of the Commissioners and the Department gives an adequate experience.

Time spent on agricultural subjects at a University or approved Agricultural College and followed by the obtaining of a degree or diploma may count up to two out of the required four years

5. Candidates must satisfy the Commissioners as to their health and character.

6. No person who is undergoing a course of study with the aid of a grant from public funds shall be eligible to compete under these Regulations before the completion of the course, unless he or she has previously obtained permission to do so from the authority which administers the grant

7. Every candidate must apply on the appropriate form within the time and in the manner of which notice is given by the Commissioners.

8. Those candidates who appear from their application forms to have the best qualifications may be summoned to a preliminary informal interview and will be summoned to an interview before a Selection Board in Edinburgh which will recommend to the Commissioners for appointment the candidates who appear to them to be most suitable. The Selection Board will recommend candidates for appointment as Second Class or Third Class Valuers according to their qualifications, age, and experience. The Selection Board may also recommend that a certain number of candidates shall be classed as reserve candidates and considered by the Commissioners for appointment in conjunction with the results of a later Board. The Selection Board shall have power to give such preference to candidates born on or after 2nd August, 1910, as the Commissioners consider appropriate. Subject to this preference the Board will take into consideration the candidates' record of experience and education, any recommendations that they may receive from persons named by the candidates as having direct knowledge of their work in the past, and the personal qualities of the candidates as shown at the interview; and on their estimation of the above evidence they will frame their recommendations. The decision of the Commissioners will be final.

9. Persons upon whose training for the occupation of teacher public money has been spent cannot be appointed until the consent of the appropriate central education authority (e.g., the Ministry of Education, the Scottish Education Department, the Ministry of Education for Northern Ireland) has been notified to the Commissioners.

10. Every successful candidate will be required to pay a fee of £1 before the issue of a certificate of qualification for appointment.

11. Any attempt on the part of candidates to enlist support for their applications through Members of Parliament or other influential persons, except as referees to be named by them in their application form, will disqualify them for appointment. The Selection Board will disregard recommendations from persons who are not personally acquainted with the candidate's work, whether at school, in the Forces, or otherwise.
