## CENTRAL CHANCERY OF THE ORDERS OF KNIGHTHOOD

*St James's Palace, S W 1  
9th April, 1948*

The KING has been graciously pleased to approve the award of the British Empire Medal (Military Division) to —

580970 Navigator 11A Raymond McIntosh GILROY,  
Royal Air Force, No 202 Advanced Flying  
School

On the night of 10th November, 1947, Navigator 11A Gilroy was the navigator of a Wellington aircraft engaged on a night cross country exercise. Whilst circling the airfield on return from the exercise, both engines suddenly failed and the aircraft crashed and caught fire. Navigator Gilroy took correct emergency action immediately before the crash occurred and thereby escaped uninjured, the pilot and signaller, however, were both rendered unconscious. Navigator Gilroy, finding the signaller apparently jammed beneath the wireless table, dragged him free and threw him clear of the burning wreckage. He then endeavoured to extricate the pilot, who was, however, already dead, but, owing to the heat of the flames, in this he was unsuccessful. Navigator Gilroy, having escaped unhurt when the aircraft crashed, sustained severe injuries during his gallant efforts to rescue his comrades, he was extensively burned about the face, hands and knees. By his prompt and heroic action this airman undoubtedly saved the life of the signaller.
