

Order under the said section declaring that the land situate in the City of Sheffield and described in the Schedule hereto, which land is shown on the map accompanying the application, shall be subject to compulsory purchase for the purpose of dealing satisfactorily with extensive war damage by the laying out afresh and redevelopment as a whole of such land, and that the application is about to be considered by the Minister.

A copy of the application and of the map referred to and of the other documents relating to the application have been deposited at my office at the Town Hall, Sheffield 1, and will be open for inspection by all persons interested without payment of fee between the hours of 9 a.m. and 12 noon on Saturdays and 10 a.m. and 5 p.m. on other weekdays.

Any objection to the application must be made in writing, stating the grounds of the objection and addressed to the Minister of Town and Country Planning, 32 St. James's Square, London, S.W.1, before the 31st day of July 1948.

The Minister is not, in all cases, required to arrange for objections to be heard by a person appointed by him for that purpose. It is important, therefore, that an objection should include a full statement in writing of the grounds on which the objection is made as the objector may have no further opportunity to make such a statement.
