The Civil Service Commissioners hereby give notice that the following Regulations are published with the approval of the Lords Commissioners of His Majesty's Treasury, viz.:—

RECRUITMENT UNDER NORMAL REGULATIONS TO THE PROFESSIONAL ACCOUNTANT CLASS.

1. *Age.* Candidates must be at least 25 and under 35 years of age on 1st January, 1949. But a candidate who has served or is serving on a regular (including a regular short service) engagement in H.M. Forces may for this purpose deduct the period of such service from his or her actual age.

2. *Sex and Marriage.* (i) Both men and women may compete under these Regulations, but women will not be eligible for appointment to the War Office.

(ii) Married women who have formerly been established civil servants and have drawn marriage gratuity

(other than those who are widows or divorced, or who are separated from their husbands, or whose husbands suffer without hope of recovery from total physical or mental incapacity) will not be eligible unless they undertake to refund on appointment the marriage gratuity paid.

3. *Nationality.* Candidates must be British subjects. They must also satisfy one of the following conditions:—

(a) If natural-born British subjects, they must either:

(i) have at least one parent who is or was at death a British subject; or

(ii) have resided in His Majesty's dominions and/or been employed elsewhere in the service of the Crown for at least five years out of the last eight years preceding the date of their appointment;

(b) if naturalised British subjects, they must have resided in His Majesty's dominions and/or been employed elsewhere in the service of the Crown for at least five years out of the last eight years preceding the date of their appointment;

(c) if not qualified under (a) or (b) of this paragraph they must satisfy the Commissioners that they are so closely connected with His Majesty's dominions either by ancestry, upbringing or residence, or by reason of national service, that an exception may properly be made in their favour.

Provided that a candidate will not be eligible for an appointment under the Admiralty, War Office, or Ministry of Supply unless he or she is a natural-born British subject and born within the United Kingdom or in one of the self-governing Dominions of parents also born within the United Kingdom or in one of the self-governing Dominions, except when the circumstances are such as to justify a departure from the general rule, in which case, provided the candidate satisfies the conditions prescribed by the preceding paragraphs, he or she may be admitted to appointment or competition by special permission of the First Lord of the Admiralty, Secretary of State for War, or Minister of supply, as the case may be.

4. *Qualifications.* Candidates are required to be members of one or more of the following bodies:—

(a) Institute of Chartered Accountants in England and Wales.

(b) Society of Incorporated Accountants and Auditors.

(c) Society of Accountants in Edinburgh.

(d) Institute of Accountants and Actuaries in Glasgow.

(e) Society of Accountants in Aberdeen.

(f) Institute of Chartered Accountants in Ireland.

(g) Association of Certified and Corporate Accountants.

They should be capable of working without detailed supervision and are required to have had wide professional experience, including experience in:—

(i) the preparation of financial data from detailed accounts, production and cost returns;

(ii) financial and cost investigations;

(iii) modern costing, wages, stores and factory control systems;

(iv) budgetary control;

(v) machine accounting and punched card systems;

(vi) the preparation of final figures and reports.

5. *Health and Character.* Successful candidates must satisfy the Commissioners as to their health and character.

6. *Competition.* The Commissioners may summon to appear before a Selection Board all who are found to be prima facie eligible, or may, if they see fit, summon only those whose qualifications and experience are considered to be most suitable. The Selection Board will take into consideration the candidates' record of education and experience, any recommendations from persons named by the candidates as having direct knowledge of their work in the past, and the personal qualities of the candidates as shown at the interview; and on their estimation of all the above facts they will frame their recommendations. The decision of the Commissioners will be final.

7. *Candidates trained as Teachers.* Persons upon whose training for the occupation of teacher public money has been spent cannot be appointed until the consent of the appropriate central education authority

(e.g., the Ministry of Education, the Scottish Education Department, the Ministry of Education for Northern Ireland), has been notified to the Commissioners.

8. *Assignment.* The Commissioners will decide to which Department each successful candidate is to be assigned. Assignment will be made in accordance with the needs of the public service, but the wishes of candidates will be respected as far as possible.

9. *Canvassing.* Any attempt on the part of candidates to enlist support for their applications through Members of Parliament or other influential persons except as referees to be named by them in their Application Forms, will disqualify them for appointment.

10. *Fee.* Every successful candidate will be required to pay a fee of £1 before the issue of a certificate of qualification for appointment.

11. These Regulations apply only to the competition of 1949, and are liable to be modified for subsequent competitions. They are issued by the Civil Service Commissioners with the approval of the Treasury.
