The KING has been graciously pleased to give orders for the following appointments to the Most Excellent Order of the British Empire:—

To be an Additional Commander of the Military Division of the said Most Excellent Order:—

Captain (then Commodore Second Class) Allan Thomas George Cumberland PEACHEY, D.S.O., Royal Navy.

While holding the appointment of Commodore, Levant, Captain Peachey carried out his duties with determination and fearlessness, both in connection with the interception of ships carrying illegal immigrants to Palestine and subsequently during the withdrawal of British forces when he was responsible for the smooth working of the port of Haifa.

To be an Additional Officer of the Military Division of the said Most Excellent Order:—

Lieutenant-Commander Tom Peter BAILLIE-GROHMAN, D.S.C., Royal Navy.

For distinguished services as King's Harbour Master at Haifa during the last weeks of the British occupation of Palestine. His sound judgement, restraint and consistent disregard for his own safety under difficult and provoking conditions were important factors in maintaining the essential services of the port at a critical time.
