E. C. E. Leadbitter.

At the Court at *Buckingham Palace* the 29th day of *March*, 1949.

PRESENT,

The KING's Most Excellent Majesty in Council.

Whereas the Church Commissioners for England in pursuance of the Act of the 6th and 7th years of His late Majesty King William the Fourth, Chapter 77, and of the Act of the 5th and 6th years of Her late Majesty Queen Victoria, Chapter 26, have duly prepared and laid before His Majesty in Council a Scheme bearing date the 20th day of November, 1948, in the words and figures following, that is to say:—

"We, the Church Commissioners for England, in pursuance of the Act of the 6th and 7th years of His late Majesty King William the Fourth, Chapter 77, and of the Act of the 5th and 6th years of Her late Majesty Queen Victoria, Chapter 26, have pre-

pared and now humbly lay before Your Majesty in Council the following Scheme for authorising certain improvements at the Episcopal House of Residence belonging to the See of Norwich:

"Whereas the Right Reverend Percy Mark, now Bishop of Norwich, was desirous that certain improvements should be made at the said Episcopal House of Residence and submitted to us particulars of such improvements and we specified our general approval of the same:

"And whereas a sum of £2,100 was provided by way of advance from the Ecclesiastical Commissioners for England under the authority of an Order of Your Majesty in Council dated the 2nd August, 1946, and published in the London Gazette on the 9th August, 1946, towards the cost of effecting the aforesaid improvements and in discharge of a balance outstanding in respect of a loan previously made by the Governors of Queen Anne's Bounty under the authority of an Order of His late Majesty King George the Fifth in Council dated the 25th day of July, 1934, and published in the London Gazette on the 27th day of July, 1934:

"And whereas there is at present a balance of £1,890 still outstanding to be repaid to us by the said Bishop in respect of that loan:

"And whereas the said improvements to the Episcopal Residence have been carried out to our satisfaction:

"And whereas the cost of the said improvements has exceeded the estimated cost thereof:

"And whereas the said Bishop is also desirous and it seems to us expedient that towards the additional cost of effecting the aforesaid improvements a further sum of £562 15s. 3d. should be provided by way of advance from us the said Church Commissioners to be repaid out of the emoluments of the Bishopric of Norwich:

"And whereas the whole sum of £2,662 15s. 3d. does not exceed 2 years' income of the See:

"Now, therefore, with the consent of the said Percy Mark, Bishop of Norwich (testified by his having affixed his signature and episcopal seal to this Scheme) we, the said Church Commissioners, humbly recommend and propose that the said Bishop be authorised to borrow and that we be authorised to advance and pay to him a further sum of £562 15s. 3d. and that the sum of £562 15s. 3d. so to be advanced shall be applied by us in payment of the excess of the cost of the aforesaid works over the amount provided by the Ecclesiastical Commissioners under the authority of the Order of Your Majesty in Council hereinbefore mentioned, and that such sum of £562 15s. 3d. shall be repaid with interest thereon as hereinafter mentioned in the manner following, that is to say, during the period of thirty-two years from the day of the date of the publication in the London Gazette of any Order of Your Majesty in Council ratifying this Scheme, the said Bishop or his successors shall at the end of each year pay to us, the said Church Commissioners, one-thirtieth part of the said principal sum of £562 15s. 3d. and shall also at the end of each year pay interest at the rate of £3 per centum per annum on the said principal sum or on so much thereof as shall from time to time remain unpaid or alternatively it shall be permissible for us, the said Church Commissioners, to provide for the repayment of the said sum of £562 15s. 3d. and interest thereon or on outstanding balances as aforesaid by way of yearly deduction during the said period of thirty-two years from the annual sum payable by us to the said Bishop of Norwich and his successors."

And whereas the said Scheme has been approved by His Majesty in Council:

Now, therefore, His Majesty, by and with the advice of His said Council, is pleased hereby to ratify the said Scheme, and to order and direct that the same and every part thereof shall be effectual in law immediately upon the publication of this Order in the London Gazette pursuant to the said Acts.

And His Majesty, by and with the like advice, is pleased hereby to direct that this Order be forthwith registered by the Registrar of the said Diocese of Norwich.

1. Men and Women may compete under these Regulations except that women will not be eligible for appointment in the Air Ministry or for the Royal Mint.

2. Age. (i) General Service candidates must be at least 25 and under 44 years of age on 1st August, 1949, and they must have been born on or after 2nd August, 1905, and on or before 1st August, 1924.

(ii) Candidates for the Departmental competitions must be at least 23 years of age on the 1st August, 1949, i.e. they must have been born on or before 1st August, 1926. For the Ministry of Civil Aviation candidates must be under 39 years of age on 1st August, 1949, i.e. they must have been born on or after 2nd August, 1910, and for the Ministry of Supply they must be under 38 years of age on 1st August, 1949, i.e. they must have been born on or after 2nd August, 1911.

3. Nationality. Candidates must be British subjects. They must also satisfy one of the following conditions:—

(a) if natural-born British subjects they must either

(i) have at least one parent who is or was at death a British subject; or

(ii) have resided in His Majesty's dominions and/or been employed elsewhere in the service of the Crown for at least five years out of the last eight years preceding the date of their appointment;

(b) if naturalised British subjects, they must have resided in His Majesty's dominions and/or been employed elsewhere in the service of the Crown for at least five years out of the last eight years preceding the date of their appointment;

(c) if not qualified under (a) or (b) of this paragraph they must satisfy the Commissioners that they are so closely connected with His Majesty's dominions either by ancestry, upbringing or residence, or by reason of national service, that an exception may properly be made in their favour.

Provided that a candidate will not be eligible for an appointment under the Air Ministry or the Ministry of Supply unless he or she is a natural-born British subject and born within the United Kingdom or in one of the self-governing Dominions of parents also born within the United Kingdom or in one of the self-governing Dominions, except when the circumstances are such as to justify a departure from the general rule, in which case, provided the candidate satisfies the conditions prescribed by the preceding paragraphs, he or she may be admitted to appointment by competition by special permission of the Secretary of State for Air, or the Minister of Supply, as the case may be.

4. Qualifications. I. General Service Class competition.

(i) The minimum qualifications must include either

(a) Corporate membership of one of the following: the Institution of Civil Engineers, the Institution of Mechanical Engineers, the Institution of Electrical Engineers; or

(b) A University Engineering degree, or other examination passes required by any of the above institutions for exemption from sections A and B of their examination for Associate Membership, provided that the Commission may at their discretion admit candidates who can furnish evidence of exceptionally high professional attainment.

Candidates who are taking the necessary examinations before 1st August, 1949, will be admitted provided that appointments will be made only if the examination qualifications are obtained during 1949.

Candidates qualified under (b) above will be recruited subject to their securing the qualification under (a) above before completion of probationary service.

(ii) In addition all candidates must produce evidence that both the examination subjects included in their qualification (see (i) a and b above) and their practical experience are appropriate to the particular requirements specified below.

Air Ministry. Candidates should:—

I. (a) be holders of a university degree in electrical and/or mechanical engineering, and have served at least two years apprenticeship; or

(b) be graduates of the Institution of Electrical Engineers, or hold an equivalent diploma in electrical engineering, and have served at least three years apprenticeship; or

(c) be graduates of the Institution of Mechanical Engineers, or hold an equivalent diploma in mechanical engineering with appreciably electrical engineering experience and have served at least a three year apprenticeship.

II. Have been employed for a minimum of two years with a well established engineering concern of sufficient size and scope for them to have gained experience in both mechanical and electrical engineering.

Royal Mint. Candidates will be required to possess a university degree in Mechanical Engineering, preferably of honours standard and to have had at least two years of practical experience, towards which some experience of metallurgical practice would be desirable.

Ministry of Transport. Candidates for mechanical posts should, in addition to holding one of the qualifications referred to above, have completed a recognised course of theoretical and technical training in mechanical and automobile engineering and have experience of road vehicle design and construction. For electrical posts candidates should be experienced in the preparation of specifications and in investigating the performance of equipment. In addition a knowledge of testing in relation to electrical work is required.

Ministry of Works. Candidates will be required to furnish evidence of their apprenticeship and experience. In particular they should have experience of mechanical and/or electrical plant and installations, either in the design and construction of major new works or in the management and supervision of large scale maintenance.

II. The Departmental Competitions. The minimum qualifications required are the same as for the General Service Competition (see I (i) above), except that:—

(a) For the Ministry of Supply and for Ministry of Civil Aviation Associate Fellowship of the Royal Aeronautical Society will be accepted as an alternative to corporate membership of one of the Institutions named in I (i) (a) above, and similarly equivalent qualifications to sections A and B of the Society's examination for Associate Fellowship will be accepted as an alternative to the qualifications in I (i) (b).

(b) For the Ministry of Civil Aviation candidates an honours degree in Physics will be accepted as an alternative to the qualifications in I (i) (b).

In addition candidates for these Departments will be required to furnish evidence of qualifications as set out below:

Ministry of Civil Aviation. Candidates will have to show that the examination subjects in which they are qualified together with their practical experience, justify their employment on civil aviation telecommunications duties.

Ministry of Supply. Candidates must have received a full and proper training as a mechanical and/or electrical engineer and will be required to state on their application forms the nature of any particular engineering experience they have gained. Training must include an engineering apprenticeship or pupilage including a minimum period of two years in the workshops of an establishment of good standing.

5. Health and Character. Successful candidates must satisfy the Commission as to their health and character.

6. No person who is undergoing a course of study with the aid of a grant from public funds shall be eligible to compete before the completion of the course, unless he or she has previously obtained permission to do so from the authority which administers the grant.

7. Application. Application must be made on the appropriate form within the time and in the manner of which notice is given by the Commissioners. One form only should be completed to cover all the competitions included under these regulations for which candidates wish to enter. Spaces are provided on the form in which candidates should name the competitions in which they wish to compete and the Departments (in order of preference) which they prefer to serve.

8. Competition. (i) Candidates who have previously competed in the Temporary (Reconstruction) competitions and who failed to obtain an appointment, are not debarred from making application for entry to the Supplementary competition. Such a candidate will not, however, be summoned before a Selection Board unless he can produce evidence of capacity inadequately demonstrated in the previous competition or subsequently acquired.

(ii) Those candidates who on the evidence of their Application Forms, and any further information which the Commissioners think necessary to obtain, are found to be *prima facie* eligible will be summoned to a Selection Board. Except that the Commissioners may, if they see fit, summon only those candidates who by reason of their experience and qualifications, appear to be most suitable for appointment. The

same Selection Board may consider a candidate at one interview for one or more of the competitions.

The Selection Board shall have power to give such preference to candidates born on or after 2nd August, 1915, as they consider appropriate. Subject to this preference the Selection Boards will take into consideration the candidate's record of experience and training, any recommendation from persons named by the candidates as having direct knowledge of their work in the past, and the personal qualities of the candidates as shown at the interview; and on their estimates of all the above facts they will frame their recommendations. The decision of the Commissioners will be final and will be announced separately for the separate competitions.

9. Candidates trained as Teachers. Persons upon whose training for the occupation of teacher public money has been spent cannot be appointed until the consent of the appropriate education authority (e.g. the Ministry of Education, the Scottish Education Department, the Ministry of Education for Northern Ireland) has been notified to the Commissioners.

10. Assignment. General Service Class Competition only. The Commissioners will decide to which Department each successful candidate is to be assigned. Assignment will be made in accordance with the needs of the public service but the wishes of candidates will, where possible, be respected.

11. Canvassing. Any attempt on the part of candidates to enlist support for their application through Members of Parliament or other influential persons, except as referees to be named in their Application Forms, will disqualify them for appointment.

12. Fee. A successful candidate will be required to pay a fee of £1 before the issue of a certificate of qualification for appointment.
