1st June, 1949.

Admiralty, Whitehall, S.W.1.

The Admiralty announce that they are ready to receive applications for Royal Naval Prize Money, Campaign Stars and Medals in accordance with the Regulations which are now displayed in most Post

Offices in the United Kingdom. The amount of Prize Money to be distributed is £4 million and the value of a unit share will be about £4. Prize Money is not liable to Income Tax.

Claims by former members of the Royal Naval and Royal Marine Forces, etc., and by the next of kin of deceased personnel must be made on forms which are available at Post Offices in the United Kingdom and the Republic of Ireland. These forms are not to be used by serving personnel, for whom separate arrangements are being made.

Royal Naval Prize Money is payable to members and former members of the Royal Naval and Royal Marine Forces, crews (including certain civilians) of His Majesty's Ships and members of the Royal Artillery, who performed 180 days' service at sea (as defined in the Regulations) between 3rd September, 1939, and 2nd September, 1945, and whose claims are received within 12 months from the 1st June, 1949. Persons killed in action, etc., at sea qualify irrespective of length of sea service.

Members and former members of the Royal Air Force are not eligible for Royal Naval Prize Money (unless they were previously members of the Royal Naval and Royal Marine Forces and had qualifying service). A portion of Prize proceeds has been allocated to a Royal Air Force Prize Fund, but this is not being individually distributed.

Members and former members of Navies of other Commonwealth countries (other than Colonial Naval Volunteer Forces) are not eligible for Royal Naval Prize Money unless they were transferred permanently to the Royal Navy and Royal Marines before 3rd September, 1945. Governments of the other Commonwealth countries concerned are making their own arrangements.

The Admiralty state that in view of the magnitude of the task, some months may elapse before an individual claim is settled and claimants must not expect their Prize Money, Stars and Medals to arrive together. Unnecessary correspondence will only cause further delay.

The Civil Service Commissioners hereby give notice that the amendments to the Normal Regulations for Scientific Officers in various Government Departments, published in the London Gazette dated 24th May, 1949, are cancelled.

Civil Service Commission.

24th May, 1949.

The Civil Service Commissioners hereby give notice that the following Regulations are published with the approval of the Lords Commissioners of His Majesty's Treasury, viz.:—

SUPPLEMENTARY OPEN COMPETITION, 1949-50 FOR RECRUITMENT OF SCIENTIFIC OFFICERS IN VARIOUS GOVERNMENT DEPARTMENTS.

1. Age and Service.

(i) Candidates must be at least 28 and under 31 years of age on 1st August, 1949, i.e., they must have been born on or after 2nd August, 1918, and on or before 1st August, 1921; and

(ii) they must have served voluntarily in H.M. Forces (including the Women's Services) or have performed compulsory national service under the National Service Acts for a period of not less than two years.

2. Sex and Marriage.

(i) Both men and women may compete under these Regulations.

(ii) Married women who have formerly been established civil servants and have drawn marriage gratuity (other than those who are widows or divorced, or who are separated from their husbands, or whose husbands suffer without hope of recovery from total physical or mental incapacity) will not be eligible for appointment under these Regulations to situations in certain Departments which render them eligible for pension and other benefits under the Superannuation Acts, unless they undertake to refund on appointment the marriage gratuity paid.

3. Nationality.

Candidates must be British subjects. They must also satisfy one of the following conditions:—

(a) If natural-born British subjects, they must either

(i) have at least one parent who is, or was at death, a British subject; or

(ii) have resided in His Majesty's dominions and/or been employed elsewhere in the service of the Crown for at least five years out of the last eight years preceding the date of their appointment;

(b) If naturalized British subjects, they must have resided in His Majesty's dominions and/or been employed elsewhere in the service of the Crown for at least five years out of the last eight years preceding the date of their appointment.

(c) If not qualified under (a) or (b) of this paragraph, they must satisfy the Commissioners that they are so closely connected with His Majesty's dominions either by ancestry, upbringing or residence, or by reason of national service, that an exception may properly be made in their favour.

Provided that a candidate will not be eligible for an appointment under the Admiralty, War Office, Air Ministry or Ministry of Supply, unless he or she is a natural-born British subject and born within the United Kingdom or in one of the self-governing Dominions of parents also born within the United Kingdom or in one of the self-governing Dominions, except when the circumstances are such as to justify a departure from the general rule, in which case, provided the candidate satisfies the conditions prescribed by the preceding paragraphs, he or she may be admitted by special permission of the First Lord of the Admiralty, Secretary of State for War, Secretary of State for Air or Minister of Supply, as the case may be.

4. Qualification.

(i) Every candidate must have obtained a university degree in a scientific subject or in Mathematics with first or second class honours or an equivalent qualification:

Provided that the Commissioners may at their discretion admit a candidate with high professional attainments, notwithstanding that he or she may not possess the above qualification.

(ii) But candidates sitting for their final degree examination at any time during 1949 or 1950 may be admitted to the competition before the result of the examination is known. A candidate will not, however, be declared successful unless on the result of the examination he or she satisfies Regulation 4 (i) above.

5. Application.

A candidate may make one, and only one, application. A candidate who has been unsuccessful in earlier competitions for appointments in the Scientific Officer grade is not eligible to apply unless he has gained an Honours Degree since he last competed.

6. Health and Character.

Successful candidates must satisfy the Commissioners as to their health and character.

7. Competition.

(i) The Commissioners may at their discretion summon candidates to a preliminary informal interview.

(ii) Likely candidates will be chosen, on the basis of the information available, to appear before a Selection Board appointed by the Commissioners. The Selection Board, in making their recommendations to the Commissioners, and the Commissioners in making their final decision, will give weight to the candidate's capacity or potentiality for original research or development work; and they will as a rule expect this quality to be demonstrated in a candidate's record. The decision of the Commissioners will be final.

8. Candidates trained as teachers.

Persons upon whose training for the occupation of teacher public money has been spent cannot be appointed until the consent of the appropriate central education authority (e.g. the Ministry of Education, the Scottish Education Department, the Ministry of Education for Northern Ireland) has been notified to the Commissioners.

9. Assignment.

It will rest with the Commissioners to determine the Department to which each successful candidate shall be assigned. In making the assignments the Commissioners will be guided by the requirements of the public service but the wishes of candidates will be met as far as possible.

10. Canvassing.

Any attempt on the part of candidates to enlist support for their applications through Members of Parliament or other influential persons, except as referees to be named by them in their Application Forms, will disqualify them for appointment.

11. Fee.

A successful candidate will be required to pay a fee of £1 before the issue of a certificate of qualification for appointment.
