The Civil Service Commissioners hereby give notice that the following Regulations are published with the approval of the Lords Commissioners of His Majesty's Treasury, viz.:—

#### **REGULATIONS FOR THE RECRUITMENT OF RESEARCH ASSISTANT, GRADE II, IN THE VICTORIA AND ALBERT MUSEUM UNDER THE MINISTRY OF EDUCATION.**

1. (i) Both men and women may compete under these regulations.

(ii) Married Women who have formerly been established civil servants and have drawn marriage gratuity (other than those who are widows or divorced, or who are separated from their husbands, or whose husbands suffer without hope of recovery from total physical or mental incapacity) will not be eligible unless they undertake to refund on appointment the marriage gratuity paid.

2. Candidates must be at least 22 and under 25 on the 1st January of the year in which the competition is held. But

(a) a candidate who has served or is serving on a regular (including a regular short service) engagement in H.M. Forces may deduct the period of such service from his actual age:

(b) a candidate who has served or is serving voluntarily in H.M. Forces otherwise than on a regular or short service engagement or who has performed or is performing compulsory national service under the National Service Acts may deduct the period of such service from his actual age, up to a maximum of two years:

(c) candidates who have served in any established post to which they were admitted with the Certificate of the Civil Service Commissioners, or who have served on established conditions except for sick leave and pension in a post to which such a Certificate would normally apply, may deduct from their actual age any time not exceeding two years which they may have spent in such service.

3. Candidates must be British subjects. They must also satisfy one of the following conditions:—

(a) If natural-born British subjects, they must either

(i) have at least one parent who is or was at death a British subject; or

(ii) have resided in His Majesty's dominions and/or been employed elsewhere in the service of the Crown for at least five years out of the last eight years preceding the date of their appointment.

(b) If naturalised British subjects they must have resided in His Majesty's dominions and/or been employed elsewhere in the service of the Crown for at least five years out of the last eight years preceding the date of their appointment.

(c) If not qualified under (a) or (b) of this paragraph they must satisfy the Commissioners that they are so closely connected with His Majesty's dominions either by ancestry, upbringing or residence, or by reason of national service, that an exception may properly be made in their favour.

4. Candidates must satisfy the Civil Service Commissioners that they have received such systematic education, general or technical, or general and technical together as in the Commissioners' opinion fits them for the posts.

The requirements of the Museum Departments differ in details, but in general candidates should possess a University degree (preferably in an Arts subject). This requirement may, however, be waived by the Commissioners if they are satisfied on other grounds as to the candidate's educational fitness. A reading knowledge of one or more modern foreign languages will be desirable in all candidates. Where special qualifications are required for a particular post, these will be specified in the announcement of a competition.

5. Those candidates who appear from their application forms to have the best qualifications will be summoned to appear before a Selection Board in London which will recommend to the Commissioners for appointment the candidates who appear to be most suitable. The Board will take into consideration the candidates' record of education and experience, any recommendation that they may receive from persons named by the candidates as having direct knowledge of their work in the past, and the personal qualities of the candidates as shown at the interview, and on their estimation of the above evidence they will frame their recommendations. The decision of the Commissioners will be final.

6. Successful candidates must satisfy the Civil Service Commissioners as to their health and character.

7. Persons upon whose training for the occupation of teacher public money has been spent cannot be appointed until the consent of the appropriate Central Education authority (e.g. the Ministry of Education, the Scottish Education Department, the Ministry of Education for Northern Ireland) has been notified to the Commissioners.

8. Any attempt on the part of candidates to enlist support for their applications through Members of Parliament or other influential persons (except as referees to be named by them in their application form) will disqualify them for appointment. The Selection Board will disregard recommendations from persons who are not personally acquainted with the candidate's work.

9. A successful candidate will be required to pay a fee of £1 before the issue of a certificate of qualification for appointment.
