## Civil Service Commission,

23rd August, 1949.

The Civil Service Commissioners hereby give notice that the following Regulations are published with the approval of the Lords Commissioners of H.M. Treasury, viz.:—

RECRUITMENT UNDER NORMAL REGULATIONS OF (A) H.M. INSPECTORS OF TAXES IN THE INLAND REVENUE DEPARTMENT, (B) THE CADET GRADE IN THE DEPARTMENTAL CLASS OF THE MINISTRY OF LABOUR AND NATIONAL SERVICE, (C) PROBATIONARY ASSISTANT POSTAL CONTROLLERS IN THE POST OFFICE, AND (D) RESEARCH ASSISTANTS IN THE JOINT INTELLIGENCE BUREAU, MINISTRY OF DEFENCE.

1. There will be two Methods of entry: Method I and Method II. Regulations 2 and 3 relate to Method I and Regulations 4 and 5 to Method II; the remaining Regulations relate to both Methods. No candidate may compete more than twice in all under Normal and Reconstruction Regulations; but if he competes under both Method I and Method II in the same year this will be treated as a single attempt.

*Method I.*

2. *Subjects of Examination.* (i) The examination consists of the following:—

(A) A written examination, comprising

(a) 3 compulsory subjects, namely Essay, English, and Present Day, for each of which a maximum of 100 marks is allotted, and

(b) a selection from the optional subjects set out in the Appendix, which is to be construed as forming part of these Regulations. Subject to the provisions in the Appendix, candidates may take optional subjects up to a total of 500 marks (the marks awarded on these optional subjects will be adjusted to a maximum of 700 marks, making 1,000 marks in all for the written examination).

(B) An interview before the Final Interview Board, which will award a mark out of a maximum of 300 for the candidate's record, intelligence, and personal qualities.

(ii) The final order of merit will be determined by the total marks gained in the whole examination. In the event of a tie between two or more candidates, the Commissioners will decide which to declare successful.

3. *Eligibility.* Candidates must (save as provided below) be at least 20½ years and under 26 years of age on the 1st day of August, 1950. But

(a) a candidate who has served or is serving on a regular (including a regular short-service) engagement in H.M. Forces will be eligible if his notional age on 1st August, 1950, after the deduction from his actual age of the period of such service, will be under 24 years;

(b) the Commissioners may at their discretion admit a candidate who was born on or after 2nd August 1923, if he rendered civilian service otherwise than under the National Service Acts and so was debarred from competing in 1949 by the terms of paragraph 3 (b) of the Regulations governing the Normal Open Competition of 1949 for the Special Departmental Classes of the Home Civil Service, but in other respects complies with the requirements of these Regulations.

*Method II.*

4. *Subjects of Examination.* (i) The examination consists of the following:—

(A) A written qualifying examination, consisting of two papers in English, two General Papers, and a test of General Intelligence, for each of which a maximum of 100 marks is allotted (making 500 marks in all).

(B) *For candidates who pass the qualifying examination:*

a series of tests of personal qualities, followed by an interview before the Final Selection Board.

(ii) The final order of merit will be determined by the mark awarded by the Final Selection Board out of a maximum of 300. This will take into account the candidate's record, his intelligence and personal qualities, his work in the qualifying examination, and the report on his performance in the series of tests of personal qualities. In the event of a tie between two or more candidates the Commissioners will decide which to declare successful.

5. *Eligibility.* (i) *Age.* Candidates must be at least 20½ years and under 26 years of age on 1st August, 1950. But

(a) a candidate who has served or is serving on a regular (including a regular short-service) engagement in H.M. Forces will be eligible if his notional age on 1st August, 1950, after the deduction from his actual age of the period of such service, will be under 24 years;

(b) the Commissioners may at their discretion admit a candidate who was born on or after 2nd August 1923, if he rendered civilian service otherwise than under the National Service Acts and so was debarred from competing in 1949 by the terms of paragraph 5 (i) (b) of the Regulations governing the Normal Open Competition of 1949 for the Special Departmental Classes of the Home Civil Service, but in other respects complies with the requirements of these Regulations;

(c) candidates who are 26 years and over but under 30 years of age on 1st August, 1950, may at the Commissioners' discretion be admitted to the Competition under Method II for posts in the Ministry of Labour and National Service only, provided that they are in all other respects eligible under these Regulations and that they have had experience in employment in industry or social work which particularly fits them for consideration for appointment to posts in the Ministry of Labour and National Service.

(ii) *Education.* Candidates must either (a) have obtained a degree at a recognised University, or (b) be in the last year of a course for a degree at a recognised University. In the latter case, they will not be declared successful unless they can produce evidence, not later than 1st September, 1950, that they have obtained the degree.

(iii) A candidate who has served or is serving on a regular or short-service engagement in H.M. Forces may be admitted to compete, notwithstanding that he fails to satisfy the requirements in sub-para. (ii), if (a) he is in other respects eligible under these Regulations to compete; and (b) he is recommended to the Civil Service Commissioners by the appropriate Service Authority, as warranting consideration for appointment by reason of his record, intelligence, and personal qualities.

*Methods I and II.*

6. *Sex and Marriage.* (i) Both men and women are eligible, except that posts of Probationary Assistant Postal Controller are open to men only.

(ii) Married women who have formerly been established civil servants and have drawn marriage gratuity (other than those who are widows or divorced, or who are separated from their husbands, or whose husbands suffer without hope of recovery from total physical or mental incapacity) will not be eligible unless they undertake to refund on appointment the marriage gratuity paid.

7. *Nationality.* Candidates must be British subjects. They must also satisfy one of the following conditions:—

(a) If natural-born British subjects, they must either—

(i) have at least one parent who is or was at death a British subject, or

(ii) have resided in His Majesty's dominions and/or been employed elsewhere in the service of the Crown for at least five years out of the last eight years preceding the date of their appointment.

(b) If naturalised British subjects, they must have resided in His Majesty's dominions and/or been employed elsewhere in the service of the Crown for at least five years out of the last eight years preceding the date of their appointment.
